

1911 AUTO STANDARD WEIGHT COMMANDER RECOIL SPRING - WOLFF 18 LB. COMMANDER RECOIL SPRING

[Handgun Parts](#) > [Recoil Parts](#) > [Recoil Springs](#)

Factory Replacement For Reliable Function With Standard Loads

High-quality recoil spring exactly matches your Colt Commander s original 18 lb. factory spring to ensure reliable function with the widest range of standard-power ammo. Improve performance by replacing a fatigued spring to return an older gun to factory specs. May also be used as an extra power spring for 9mm/.38 Super pistols. Comes with an extra power firing pin spring that keeps the firing pin stop in place and prevents firing pin float.

Safety Instruction Guide for 1911 AUTO STANDARD WEIGHT COMMANDER RECOIL SPRING WOLFF 18 LB. COMMANDER RECOIL SPRING

Introduction

Thank you for choosing the 1911 AUTO STANDARD WEIGHT COMMANDER RECOIL SPRING by WOLFF. This recoil spring is designed to enhance the performance of your Colt Commander and similar models. It is essential to understand and follow safety guidelines to ensure safe and effective use of this product.

General Safety Guidelines

- Ensure that the product is suitable for your firearm model before use.
- Store the recoil spring in a dry, cool place away from direct sunlight.
- Keep the recoil spring and all related components out of reach of children and unauthorized users.
- Regularly inspect the recoil spring for any signs of wear or damage before use.
- Use only standard power 9mm/.38 Super ammunition with this recoil spring to avoid malfunctions.
- If you experience any malfunctions, discontinue use immediately and consult a qualified gunsmith.

Specific Safety Precautions for Use

- Wear appropriate safety gear, including eye protection, when handling firearms.
- Always ensure that your firearm is unloaded before installing or replacing the recoil spring.
- Follow the manufacturer's instructions for installation to avoid improper fitting.
- Do not modify the recoil spring or any components of your firearm, as this may lead to unsafe conditions.
- Be aware of your surroundings and ensure a safe environment when using your firearm.

Instructions for Installation and Usage

1. Preparation:

- Ensure your firearm is completely unloaded and pointed in a safe direction.
- Gather necessary tools, such as a punch tool and a small hammer, if required.

2. Removing the Old Recoil Spring:

- Carefully disassemble your firearm according to the manufacturer's instructions.
- Remove the old recoil spring from the recoil spring guide.

3. Installing the New Recoil Spring:

- Place the new WOLFF recoil spring onto the recoil spring guide.
- Ensure it is seated properly and aligned with the guide.
- Reassemble your firearm, ensuring all components are correctly fitted.

4. Testing:

- Once reassembled, perform a function check to ensure the firearm operates correctly.
- Test the firearm in a controlled environment to confirm reliable function with your chosen ammunition.

Disposal Instructions

- Dispose of the recoil spring and any other firearm components in accordance with local regulations.
- Do not dispose of the recoil spring in regular household waste. Check with local authorities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the use of this recoil spring, please consult a qualified gunsmith or contact the manufacturer directly. Ensure you have the product details at hand for effective assistance.

By following these safety guidelines and instructions, you can ensure the safe and effective use of your 1911 AUTO STANDARD WEIGHT COMMANDER RECOIL SPRING. Always prioritize safety and responsible firearm handling.
