Safety Instruction Guide for 1911 E.P. Firing Pin Spring Bulk Pack

Introduction

Thank you for choosing the 1911 E.P. Firing Pin Spring Bulk Pack by Wolff. This guide provides essential safety instructions and information to ensure the safe and effective use of this product. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always follow the manufacturer's instructions for installation and usage.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use only in compatible models: Government, Commander, and Officers.
- Avoid using the product if it shows signs of damage or excessive wear.
- Ensure that all components are properly secured before operation.
- Store the springs in a dry and cool place to prevent corrosion.
- Do not modify or alter the springs in any way.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools required for installation.
- Ensure that the firearm is unloaded and safe to handle.

2. Installation Steps

- Remove the old firing pin spring from the firearm.
- Carefully insert the new Wolff firing pin spring into the designated area.
- Ensure that the spring is seated properly and securely.

3. Usage

- Conduct a function check after installation to ensure proper operation.
- Regularly maintain the firearm according to the manufacturer's guidelines.

Disposal Instructions

- Dispose of any old or damaged springs in accordance with local regulations.
- Do not dispose of springs in regular household waste.
- Check with local authorities for specific disposal guidelines for firearm components.

Contact Information for Further Support

For any inquiries regarding safety or product information, please refer to the manufacturer's website or contact the designated EUbased contact point.

Thank you for your attention to these safety guidelines. Your safety and the safety of others depend on the proper use and maintenance of this product.
