Safety Instruction Guide for NEW VAQUERO®/BLACKHAWK® REDUCED POWER HAMMER SPRINGS

Introduction

Thank you for choosing the NEW VAQUERO®/BLACKHAWK® REDUCED POWER HAMMER SPRINGS. This product is designed to enhance the performance of your firearm while ensuring safety and reliability. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

General Safety Guidelines

- Ensure that all safety measures are followed when handling firearms and associated components.
- Always treat every firearm as if it is loaded.
- Keep firearms out of reach of children and unauthorized users.
- Use the product only for its intended purpose as specified in this guide.
- Regularly inspect your firearm and its components for any signs of wear or damage.
- If you notice any unusual behavior from your firearm, cease use immediately and consult a qualified gunsmith.

Specific Safety Precautions for Use

- Use only the recommended weights (14, 15, and 16lb) for your specific firearm model.
- Ensure that the firearm is unloaded before installing or replacing the hammer springs.
- Wear safety glasses to protect your eyes from potential spring release during installation.
- Do not exceed the recommended spring weights as it may cause malfunction or damage to your firearm.
- Store the hammer springs in a safe place, away from moisture and direct sunlight.
- If you experience difficulty in cocking or firing after installation, remove the new spring and consult a professional.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the firearm is completely unloaded and pointed in a safe direction.
- Gather the necessary tools and the NEW VAQUERO®/BLACKHAWK® REDUCED POWER HAMMER SPRING PAK.

2. Installation:

- Remove the grip frame from the firearm according to the manufacturer's instructions.
- Locate the hammer spring housing and remove the old spring.
- Carefully install the new hammer spring, ensuring it is seated correctly.
- Reassemble the grip frame, making sure all components are secure.

3. Testing:

- After installation, perform a function check to ensure the firearm operates correctly.
- Test the firearm in a safe environment, preferably at a shooting range.

4. Adjustment:

- If necessary, you can experiment with different spring weights to find the optimal performance for your firearm.
- Always revert to the original factory spring if you encounter any issues.

Disposal Instructions

- Dispose of old hammer springs and packaging materials in accordance with local regulations.
- Do not dispose of springs in a manner that could pose a hazard to others.

Contact Information for Further Support

For any inquiries regarding the safety or performance of the NEW VAQUERO®/BLACKHAWK® REDUCED POWER HAMMER SPRINGS, please refer to the contact information provided in the product packaging or visit the manufacturer's website.

By following these safety instructions, you can ensure a safe and enjoyable experience with your NEW VAQUERO®/BLACKHAWK® REDUCED POWER HAMMER SPRINGS. Thank you for prioritizing safety and compliance with EU General Product Safety Regulation (GPSR).
