SIG SAUER RECOIL CALIBRATION PAK WOLFF P226 SPRING PAK Safety Instructions

Introduction

Thank you for choosing the SIG SAUER RECOIL CALIBRATION PAK WOLFF P226 SPRING PAK. This product is designed to enhance the performance of your firearm. To ensure safe and effective use, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always handle firearms with care and follow standard safety practices.
- Store all firearmrelated products out of reach of children and unauthorized users.
- Regularly check for product recalls and safety updates through the EU Safety Gate platform.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye protection, when using firearms.
- Ensure that the firearm is unloaded before installing or replacing any components.
- Be aware of the different spring weights included in the spring pack and use them according to your firearm's specifications.
- Use only compatible components as specified in the product manual to avoid malfunction.
- If you experience any issues during installation or use, cease use immediately and seek assistance.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools for installation, including a screwdriver and any other required equipment.

2. Installation of Recoil Springs:

- Remove the slide from the firearm according to the manufacturer's instructions.
- Locate the recoil spring assembly in the slide.
- Carefully remove the existing recoil spring and replace it with the new spring from the spring pack.
- Ensure that the spring is seated properly and securely.

3. Testing:

- After installation, reassemble the firearm and perform a function check to ensure proper operation.
- Test the firearm in a safe environment to confirm that it operates correctly with the new recoil springs.

4. Usage:

- Always follow safe handling practices when operating your firearm.
- Be aware of the specific recoil spring weights included in your spring pack and adjust your shooting technique accordingly.

Disposal Instructions

- Dispose of old springs and any packaging materials in accordance with local waste disposal regulations.
- Do not dispose of any product components in a manner that could pose a risk to the environment or public safety.

Contact Information for Further Support

For any questions, concerns, or safety inquiries regarding this product, please refer to the manufacturer's contact information provided with the product packaging or visit the official website.

By following these safety instructions, you can ensure a safe and enjoyable experience with your SIG SAUER RECOIL CALIBRATION PAK WOLFF P226 SPRING PAK. Thank you for your attention to safety.
