MASTER COIL SPRING KIT KIT #345 WOLFF

Introduction

Thank you for choosing the MASTER COIL SPRING KIT KIT #345 from WOLFF. This kit contains a variety of coil springs designed for use in various applications. This safety instruction guide is designed to provide you with essential information regarding the safe use, installation, and disposal of the product, in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

To ensure the safe use of the MASTER COIL SPRING KIT, please follow these general safety guidelines:

- Always read and understand the instructions before using the product.
- Keep the kit out of reach of children and vulnerable individuals.
- Inspect the springs for any visible damage before use.
- Use the springs only for their intended purpose.
- Do not exceed the load limits specified for each spring.
- Wear appropriate safety gear, such as gloves and eye protection, when handling the springs.
- Report any unsafe product incidents or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU Safety Gate platform regularly.

Specific Safety Precautions for Use

When using the MASTER COIL SPRING KIT, please adhere to the following specific safety precautions:

- Ensure that the work area is clear of any obstructions and hazards.
- Use tools that are appropriate for the installation and handling of the springs.
- Do not attempt to modify or alter the springs in any way.
- Avoid using the springs in environments that may expose them to extreme heat, moisture, or corrosive substances.
- If you experience any difficulties during installation or usage, cease use immediately and consult a professional.

Instructions for Installation and Usage

Follow these instructions for the safe installation and usage of the MASTER COIL SPRING KIT:

1. Preparation:

- Gather all necessary tools and protective gear.
- Ensure that you are working in a welllit and clean environment.

2. Choosing the Right Spring:

- Identify the specific application for which you will use the springs.
- Select the appropriate spring from the kit (No. 3, No. 4 English, No. 4 Metric, No. 5 English, No. 5 Metric).

3. Installation:

- Carefully remove the selected spring from the kit.
- Follow the manufacturer's recommendations for installation specific to your application.
- Ensure that the spring is securely positioned and properly aligned before use.

4. Usage:

- Monitor the performance of the spring during use.
- If any unusual noises or movements occur, stop using the spring immediately.

5. PostUse Inspection:

- After use, inspect the spring for any signs of wear or damage.
- Store the springs in a dry and safe location away from children.

Disposal Instructions

Proper disposal of the MASTER COIL SPRING KIT components is essential for environmental safety:

- Do not dispose of springs in regular household waste.
- Check local regulations for proper disposal methods for metal and spring materials.
- Consider recycling the springs where possible to minimize environmental impact.

Contact Information for Further Support

For any inquiries or further assistance regarding the MASTER COIL SPRING KIT, please refer to the contact information provided on the product packaging or visit the manufacturer's official website.

Thank you for choosing WOLFF. Your safety and satisfaction are our top priorities.
