# M1 Garand & M1A/M14 Springs Recoil Spring Safety Instructions

## Introduction

Thank you for choosing the M1 Garand & M1A/M14 Recoil Spring manufactured by WOLFF. This safety instruction guide is designed to provide you with essential information for the safe use, installation, and disposal of your recoil spring. Please read this guide carefully to ensure safe handling and operation.

## General Safety Guidelines

- Ensure that the recoil spring is compatible with your specific firearm model.
- Always handle firearms with care and follow standard firearm safety practices.
- Store the recoil spring in a dry, secure location away from children and unauthorized users.
- Regularly inspect the recoil spring for any signs of wear or damage before use.
- Report any unsafe products or incidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, such as eye protection, when handling the recoil spring.
- Do not use the recoil spring if it shows signs of damage, such as cracks or deformation.
- Ensure that the firearm is unloaded before installing or replacing the recoil spring.
- Follow the manufacturer's instructions for installation to avoid potential hazards.
- Keep hands and body clear of the firearm's action during operation.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure the firearm is completely unloaded.
- Gather necessary tools for installation, including a screwdriver and appropriate safety equipment.

### 2. Installation Steps

- Remove the existing recoil spring from the firearm, if applicable.
- Inspect the recoil spring housing for any debris or damage.
- Insert the new recoil spring into the recoil spring housing, ensuring it is seated correctly.
- Reassemble the firearm according to the manufacturer's instructions.

### 3. Usage

- Test the firearm in a safe and controlled environment after installation.
- Monitor the performance of the recoil spring during use and check for any irregularities.

## Disposal Instructions

- Dispose of the recoil spring in accordance with local regulations.
- Do not dispose of the recoil spring in regular household waste.
- If the recoil spring is damaged or no longer usable, contact a local waste management facility for proper disposal options.

## **Contact Information for Further Support**

For any questions or concerns regarding the M1 Garand & M1A/M14 Recoil Spring, please reach out to your local dealer or the manufacturer for assistance. Ensure that you have the product details available for reference.

By following these safety instructions, you can ensure a safe and effective experience with your M1 Garand & M1A/M14 Recoil Spring. Thank you for your attention to safety.
