# Safety Instruction Guide for SAA SHOOTERS PAK COLT WIRE SHOOTERS SPRING PAK

## Introduction

Thank you for choosing the SAA SHOOTERS PAK COLT WIRE SHOOTERS SPRING PAK. This guide provides essential safety information and instructions to ensure the safe and effective use of this product. Please read this guide thoroughly before using the product.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always handle the product with care to avoid injury.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage.
- If you notice any defects, do not use the product and contact customer support.
- Follow all local laws and regulations regarding the use of firearm accessories.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye protection, when working with firearms.
- Ensure that the firearm is unloaded before installing or replacing any springs.
- Use caution when handling springs, as they can be under tension and may cause injury if released unexpectedly.
- Follow the manufacturer's instructions closely to avoid improper installation.
- If you are unsure about the installation process, seek assistance from a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure that the firearm is completely unloaded.
- Gather all necessary tools and the spring kit.

### 2. Installation of Springs

- Remove the existing mainspring and sear/bolt spring carefully.
- Install the reduced power mainspring in the same orientation as the original.
- Replace the sear/bolt spring with the wire version, ensuring it is seated properly.
- For the extra power base pin spring, replace it as per the original orientation.
- Install the stainless steel ejector spring as needed.

### 3. Final Checks

- After installation, visually inspect all springs to ensure they are properly seated.
- Test the trigger pull and ensure it operates smoothly.
- If necessary, perform minor fitting to ensure optimal performance.

### 4. Usage

- Use the firearm responsibly and in accordance with all safety regulations.
- Regularly check the performance of the springs and replace them if they show signs of wear.

## **Disposal Instructions**

- Dispose of any old springs and packaging materials in accordance with local waste disposal regulations.
- Do not dispose of springs in a manner that could pose a risk to others.

## **Contact Information for Further Support**

For any inquiries regarding the safety and performance of the SAA SHOOTERS PAK COLT WIRE SHOOTERS SPRING PAK, please reach out to the manufacturer or your local distributor for assistance.

Thank you for prioritizing safety and compliance while using this product. Your diligence helps ensure a safe and enjoyable experience.
