# SAA Cowboy Action Springs Colt/EMF Mainspring Safety Instructions

## Introduction

Thank you for choosing the SAA Cowboy Action Springs Colt/EMF Mainspring. This product is designed to enhance your shooting experience by lightening the trigger pull and cocking effort for fast, accurate shooting. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always ensure the firearm is unloaded before installing or handling the mainspring.
- Use the mainspring only in compatible firearms as specified in the product details.
- Regularly inspect the mainspring for wear or damage before use.
- Store the mainspring in a dry, secure location away from children and unauthorized users.
- Always follow the manufacturer's instructions for the firearm when using aftermarket parts like the mainspring.
- Report any unsafe product incidents or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Ensure you have the appropriate skills and knowledge to handle firearms safely.
- Wear safety glasses and hearing protection when using firearms.
- Do not attempt to modify the mainspring beyond minor fitting as specified in the product details.
- Keep your fingers away from the trigger until you are ready to shoot.
- Be aware of your surroundings and ensure a safe shooting environment.
- Always follow local laws and regulations regarding firearm modifications and usage.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is completely unloaded.
- Gather necessary tools for installation, such as screwdrivers and pliers.

### 2. Installation:

- Remove the existing mainspring from the firearm according to the manufacturer's instructions.
- Carefully install the SAA Cowboy Action Mainspring, ensuring it is properly seated.
- Check for proper alignment and secure all components as per the firearm's specifications.

### 3. Testing:

- After installation, perform a function check to ensure the firearm operates correctly.
- If the mainspring requires minor fitting, do so cautiously to avoid overmodification.

### 4. Usage:

- When using the firearm, maintain proper grip and stance.
- Regularly check the performance of the mainspring during use.

## **Disposal Instructions**

- Dispose of any old or damaged mainsprings in accordance with local regulations.
- Do not throw the mainspring in regular trash; instead, follow specific guidelines for metal recycling or hazardous waste.

## **Contact Information for Further Support**

For any inquiries regarding the SAA Cowboy Action Springs Colt/EMF Mainspring or safety concerns, please refer to the manufacturer's contact information provided with the product.

By following these guidelines and instructions, you can ensure safe and effective use of the SAA Cowboy Action Springs Colt/EMF Mainspring. Thank you for prioritizing safety in your shooting activities.
