# Safety Instruction Guide for Browning High Power Extra Power Recoil Springs Wolff B9 18 1/2 lb. Spring

## Introduction

Thank you for choosing the Browning High Power Extra Power Recoil Springs. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your recoil springs. It is important to read and understand these instructions before using the product.

## General Safety Guidelines

- Always handle firearms and firearm accessories with care and responsibility.
- Ensure that the product is used in accordance with the manufacturer's specifications.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the recoil springs for any signs of wear or damage before use.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the recoil springs are compatible with your Browning High Power model.
- Use only the recommended ammunition types to avoid potential hazards.
- Do not attempt to modify or alter the recoil springs in any way.
- Always wear appropriate safety gear, such as eye protection, when handling firearms.
- Be aware of the increased slide thrust that may result from using extra power springs and take necessary precautions.
- If you experience any malfunctions or unusual behavior during use, cease operation immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Preparation

- Before installation, ensure that your firearm is unloaded and pointed in a safe direction.
- Gather necessary tools for installation, including a punch and hammer.

### 2. Installation Steps

- Remove the slide from your Browning High Power according to the manufacturer's instructions.
- Remove the existing recoil spring by carefully pushing the spring guide out of the slide.
- Replace the old recoil spring with the new Browning High Power Extra Power Recoil Spring.
- Ensure that the spring is seated correctly on the spring guide.
- Reassemble the slide and ensure all components are secure.

### 3. Usage Instructions

- After installation, conduct a function check to ensure proper operation.
- Test the firearm in a safe and controlled environment.
- Monitor the performance of the recoil springs during use and make adjustments as necessary.

## Disposal Instructions

- Dispose of any old or damaged recoil springs in accordance with local regulations.
- Do not dispose of recoil springs in regular household waste; instead, take them to a designated recycling or hazardous waste facility.

## Contact Information for Further Support

For any inquiries or concerns regarding the Browning High Power Extra Power Recoil Springs, please contact the appropriate support services. Ensure you have the product details ready for a more efficient assistance experience.

By following these safety guidelines and instructions, you can ensure the safe and effective use of your Browning High Power Extra Power Recoil Springs. Always prioritize safety and responsible handling practices. Thank you for your attention to these important safety measures.
