

TYPE A RECOIL SPRING FOR TARGET (SOFTBALL) LOADS - WOLFF 7 LB. SPRING

[Handgun Parts](#) > [Recoil Parts](#) > [Recoil Springs](#)

Fine Tune For Light, Standard Or Heavy Loads

Like all Wolff springs, these for the 1911 Auto in .45, .38 Super or 9mm are the finest, most reliable, longest lasting ones available. The springs of choice for most of the nation's top builders. Except where noted, all recoil springs are supplied with an extra power firing pin spring that keeps the firing pin stop in place and prevents firing pin float ; an addition recommended by pistolsmith Bill Wilson. TYPE A - For Target (Softball) Loads were originally recommended to us by Major F. B. Conway, U.S.A. - M.T.U. Whenever lighter than standard bullets or powder charges are being used, a lighter recoil spring is a must for correct functioning; however, they MUST NOT BE USED WITH STANDARD (HARDBALL) LOADS. The 10 lb. Type A spring is the old favorite (for reduced loads) and for that reason we also make it available as a single item (without the extra power firing pin spring).

Attributes

- Name: [WOLFF 7 LB. SPRING](#)
- Manufacturer: [WOLFF](#)
- Product no.: 969419070
- Mfr. No.: 41907
- Model: Government
- Pounds: 7 lbs
- Weapon type: 1911
- Delivery weight: 0.018kg
- Shipping height: 13mm
- Shipping width: 84mm
- Shipping length: 226mm

Safety Instruction Guide for TYPE A RECOIL SPRING FOR TARGET (SOFTBALL) LOADS WOLFF 7 LB. SPRING

Introduction

Thank you for choosing the TYPE A Recoil Spring for Target (Softball) Loads by Wolff. This document provides essential safety guidelines and instructions for the proper use and maintenance of this product. It is crucial to follow these guidelines to ensure safe operation and to minimize risks associated with the use of this recoil spring.

General Safety Guidelines

- Ensure that this recoil spring is compatible with your firearm model (1911 Auto in .45, .38 Super, or 9mm).
- Always handle firearms with care and follow the manufacturer's safety instructions.
- Use only the recommended loads specified for this recoil spring. Do not use with standard (hardball) loads.
- Store this product in a cool, dry place away from direct sunlight and moisture.
- Regularly inspect the recoil spring for any signs of wear or damage before use.
- Keep this product out of reach of children and unauthorized users.

Specific Safety Precautions for Use

- The TYPE A recoil spring is specifically designed for target (softball) loads. Using it with heavier loads can lead to malfunctions or firearm damage.
- When using lighter than standard bullets or powder charges, ensure that you have the appropriate recoil spring installed.
- Do not modify the recoil spring or use it in a manner not intended by the manufacturer.
- If you experience any malfunctions or unusual behavior while using your firearm, stop using it immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Disassemble the firearm according to the manufacturer's instructions.
- Remove the existing recoil spring and replace it with the TYPE A recoil spring.
- Reassemble the firearm, ensuring all parts are securely in place.

2. Usage:

- Use only target (softball) loads with this recoil spring.
- Follow all standard safety practices when handling and firing your firearm.
- Monitor the performance of your firearm during use. If you notice any issues, cease operation immediately.

Disposal Instructions

- Dispose of the recoil spring in accordance with local regulations regarding metal recycling and waste disposal.

- Do not throw the recoil spring in regular household waste. Instead, take it to a designated recycling center if possible.

Contact Information for Further Support

For safety inquiries or additional support, please refer to the manufacturer's contact information provided with the product. Always ensure that you are following the most current safety guidelines and regulations.

By following these safety instructions, you can help ensure your safety and the safe operation of your firearm. Thank you for your attention to these important guidelines.
