

# TYPE A RECOIL SPRING FOR TARGET (SOFTBALL) LOADS - 8 LB. SPRING

[Handgun Parts](#) > [Recoil Parts](#) > [Recoil Springs](#)

## Fine Tune For Light, Standard Or Heavy Loads

Like all Wolff springs, these for the 1911 Auto in .45, .38 Super or 9mm are the finest, most reliable, longest lasting ones available. The springs of choice for most of the nation's top builders. Except where noted, all recoil springs are supplied with an extra power firing pin spring that keeps the firing pin stop in place and prevents firing pin float ; an addition recommended by pistolsmith Bill Wilson. TYPE A - For Target (Softball) Loads were originally recommended to us by Major F. B. Conway, U.S.A. - M.T.U. Whenever lighter than standard bullets or powder charges are being used, a lighter recoil spring is a must for correct functioning; however, they **MUST NOT BE USED WITH STANDARD (HARDBALL) LOADS**. The 10 lb. Type A spring is the old favorite (for reduced loads) and for that reason we also make it available as a single item (without the extra power firing pin spring).

## Attributes

- Name: [8 LB. SPRING](#)
- Manufacturer: [WOLFF](#)
- Product no.: 969419080
- Mfr. No.: 41908
- Make: 1911
- Model: Government
- Pounds: 8 lbs
- Delivery weight: 0.018kg
- Shipping height: 3mm
- Shipping width: 74mm
- Shipping length: 183mm

# Safety Instruction Guide for TYPE A RECOIL SPRING FOR TARGET (SOFTBALL) LOADS 8 LB. SPRING

## Introduction

Thank you for choosing the TYPE A RECOIL SPRING FOR TARGET (SOFTBALL) LOADS 8 LB. SPRING. This product is designed to enhance the performance of your 1911 Auto firearm when using lighter target loads. To ensure safe use and compliance with the EU General Product Safety Regulation (GPSR), please read this safety instruction guide carefully.

## General Safety Guidelines

- Always handle firearms with care and follow all safety protocols.
- Ensure that the recoil spring is compatible with your specific firearm model.
- Keep all components out of reach of children and vulnerable individuals.
- Regularly inspect the recoil spring for wear and damage before use.
- Only use the recoil spring with the recommended load types; do not use with standard (hardball) loads.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- **Compatibility:** Verify that this recoil spring is suitable for your 1911 Auto in .45, .38 Super, or 9mm.
- **Installation:** Ensure proper installation according to the instructions provided to avoid malfunctions.
- **Usage:** Use the recoil spring only with target (softball) loads as specified; using it with standard loads can cause malfunction or damage.
- **Inspection:** Before each use, check the recoil spring for any signs of damage or wear. If damaged, do not use.
- **Storage:** Store the recoil spring in a cool, dry place, away from direct sunlight and moisture.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the old recoil spring by following the manufacturer's instructions for your firearm.
- Insert the TYPE A recoil spring into the recoil spring guide.
- Ensure that the spring is seated correctly and securely.
- Reassemble the firearm according to the manufacturer's guidelines.

### 2. Usage:

- Load the firearm with the appropriate target (softball) loads.
- Test the firearm in a safe and controlled environment to ensure proper functioning.
- Monitor the firearm during use for any unusual behavior or performance issues.

## Disposal Instructions

- Dispose of the recoil spring in accordance with local regulations regarding metal waste.
- Do not dispose of the recoil spring in regular household waste.
- Consider recycling options if available in your area.

## **Contact Information for Further Support**

For any inquiries regarding safety, compatibility, or product performance, please refer to the manufacturer's contact information provided on the packaging or product documentation. It is essential to consult with a qualified professional if you have any concerns about the use or safety of this recoil spring.

Thank you for your attention to these safety guidelines. Your safety and satisfaction are our top priorities. Enjoy your shooting experience responsibly!
