

# TYPE A RECOIL SPRING FOR TARGET (SOFTBALL) LOADS - 9 LB. SPRING

[Handgun Parts](#) > [Recoil Parts](#) > [Recoil Springs](#)

## Fine Tune For Light, Standard Or Heavy Loads

Like all Wolff springs, these for the 1911 Auto in .45, .38 Super or 9mm are the finest, most reliable, longest lasting ones available. The springs of choice for most of the nation's top builders. Except where noted, all recoil springs are supplied with an extra power firing pin spring that keeps the firing pin stop in place and prevents firing pin float ; an addition recommended by pistolsmith Bill Wilson. TYPE A - For Target (Softball) Loads were originally recommended to us by Major F. B. Conway, U.S.A. - M.T.U. Whenever lighter than standard bullets or powder charges are being used, a lighter recoil spring is a must for correct functioning; however, they **MUST NOT BE USED WITH STANDARD (HARDBALL) LOADS**. The 10 lb. Type A spring is the old favorite (for reduced loads) and for that reason we also make it available as a single item (without the extra power firing pin spring).

## Attributes

- Name: [9 LB. SPRING](#)
- Manufacturer: [WOLFF](#)
- Product no.: 969419090
- Mfr. No.: 41909
- Make: 1911
- Model: Government
- Pounds: 9 lbs
- Delivery weight: 0.136kg
- Shipping height: 8mm
- Shipping width: 86mm
- Shipping length: 226mm

# **TYPE A RECOIL SPRING FOR TARGET (SOFTBALL) LOADS 9 LB. SPRING Safety Instruction Guide**

## **Introduction**

Thank you for choosing the TYPE A RECOIL SPRING for Target (Softball) Loads. This guide provides important safety information, usage instructions, and disposal guidelines to ensure your safety and the optimal performance of your product. Please read this guide thoroughly before use.

## **General Safety Guidelines**

- Ensure safe handling and usage of the recoil spring to prevent accidents and injuries.
- Always use the recoil spring as specified in this guide to avoid potential hazards.
- Keep the recoil spring out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the relevant authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

## **Specific Safety Precautions for Use**

- Only use the TYPE A recoil spring with lighter than standard bullets or powder charges.
- DO NOT use this recoil spring with standard (hardball) loads as it may cause malfunction or failure.
- Ensure that the recoil spring is properly installed before use to avoid accidents.
- Inspect the recoil spring for any signs of wear or damage before each use. Replace if necessary.
- Follow all manufacturer instructions provided in this guide to ensure safe operation.

## **Instructions for Installation and Usage**

### **1. Installation:**

- Ensure the firearm is unloaded and safe to handle.
- Remove the existing recoil spring from the firearm.
- Insert the TYPE A recoil spring, ensuring it is seated correctly.
- Replace any other components as needed, following the manufacturer's guidelines.
- Doublecheck that all parts are securely in place before proceeding.

### **2. Usage:**

- Use only with lighter than standard loads as recommended.
- Always wear appropriate safety gear, such as eye and ear protection, when using the firearm.
- After installation, test the firearm in a safe environment to ensure proper functioning.
- If any issues arise during usage, stop immediately and inspect the recoil spring and firearm.

## **Disposal Instructions**

- Dispose of the recoil spring in accordance with local waste disposal regulations.
- Do not dispose of the recoil spring in regular household waste.
- Contact your local waste management service for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any inquiries regarding safety, usage, or disposal of the TYPE A RECOIL SPRING, please refer to the manufacturer's contact information provided with the product packaging.

By following these guidelines, you can ensure the safe and effective use of your TYPE A RECOIL SPRING for Target (Softball) Loads. Thank you for your attention to safety.
