

TYPE A RECOIL SPRING FOR TARGET (SOFTBALL) LOADS - 12 LB. SPRING

[Handgun Parts](#) > [Recoil Parts](#) > [Recoil Springs](#)

Fine Tune For Light, Standard Or Heavy Loads

Like all Wolff springs, these for the 1911 Auto in .45, .38 Super or 9mm are the finest, most reliable, longest lasting ones available. The springs of choice for most of the nation's top builders. Except where noted, all recoil springs are supplied with an extra power firing pin spring that keeps the firing pin stop in place and prevents firing pin float ; an addition recommended by pistolsmith Bill Wilson. TYPE A - For Target (Softball) Loads were originally recommended to us by Major F. B. Conway, U.S.A. - M.T.U. Whenever lighter than standard bullets or powder charges are being used, a lighter recoil spring is a must for correct functioning; however, they **MUST NOT BE USED WITH STANDARD (HARDBALL) LOADS**. The 10 lb. Type A spring is the old favorite (for reduced loads) and for that reason we also make it available as a single item (without the extra power firing pin spring).

Attributes

- Name: [12 LB. SPRING](#)
- Manufacturer: [WOLFF](#)
- Product no.: 969419120
- Mfr. No.: 41912
- Make: 1911

TYPE A RECOIL SPRING FOR TARGET (SOFTBALL) LOADS 12 LB. SPRING Safety Instructions

Introduction

Thank you for choosing the TYPE A RECOIL SPRING for Target (Softball) Loads. This product is designed for use with the 1911 Auto in .45, .38 Super, or 9mm calibers. To ensure your safety and the proper functioning of your firearm, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always ensure that your firearm is unloaded before installing or replacing the recoil spring.
- Use only the recommended ammunition types specified for this recoil spring.
- Regularly inspect the recoil spring for signs of wear or damage before use.
- Store the recoil spring in a cool, dry place away from direct sunlight and moisture.
- Do not modify the recoil spring or use it in a manner not specified in this guide.
- Follow all local laws and regulations regarding firearm use and maintenance.

Specific Safety Precautions for Use

- The TYPE A recoil spring is specifically designed for Target (Softball) Loads.
- **Warning:** Do not use this recoil spring with standard (hardball) loads, as it may cause malfunction or damage.
- When using lighter than standard bullets or powder charges, ensure that you are using the appropriate recoil spring for correct functioning.
- Keep the recoil spring and all firearm components out of reach of children and unauthorized users.
- Always wear appropriate eye and ear protection when shooting.

Instructions for Installation and Usage

1. Preparation

- Ensure your firearm is completely unloaded.
- Gather necessary tools, including a punch tool for installation if required.

2. Installation

- Remove the old recoil spring:
 - Disassemble your firearm according to the manufacturer's instructions.
 - Carefully remove the old recoil spring from the recoil spring guide.
- Install the new TYPE A recoil spring:
 - Place the new recoil spring onto the recoil spring guide.
 - Ensure it is seated properly and securely.

3. Reassembly

- Reassemble your firearm following the manufacturer's guidelines.
- Doublecheck that all components are correctly aligned and secured before use.

4. Usage

- After installation, test the firearm with the appropriate Target (Softball) Loads to ensure proper functioning.

- Monitor the performance of the recoil spring during use, and be alert for any signs of malfunction.

Disposal Instructions

- Dispose of the old recoil spring and any packaging materials in accordance with local regulations.
- Do not dispose of the recoil spring in regular household waste. Check for designated recycling or hazardous waste facilities.

Contact Information for Further Support

For any questions or concerns regarding the TYPE A RECOIL SPRING, please refer to the manufacturer's website or contact your local dealer for assistance. Always ensure you are following the latest safety guidelines and product updates.

Conclusion

By following these safety instructions, you can help ensure your safety and the proper operation of your firearm. Always prioritize safety when handling firearms and their components. Thank you for choosing our product, and enjoy your shooting experience responsibly.
