

# TYPE A RECOIL SPRING FOR TARGET (SOFTBALL) LOADS - WOLFF 15 LB. SPRING

[Handgun Parts](#) > [Recoil Parts](#) > [Recoil Springs](#)

## Fine Tune For Light, Standard Or Heavy Loads

Like all Wolff springs, these for the 1911 Auto in .45, .38 Super or 9mm are the finest, most reliable, longest lasting ones available. The springs of choice for most of the nation's top builders. Except where noted, all recoil springs are supplied with an extra power firing pin spring that keeps the firing pin stop in place and prevents firing pin float ; an addition recommended by pistolsmith Bill Wilson. TYPE A - For Target (Softball) Loads were originally recommended to us by Major F. B. Conway, U.S.A. - M.T.U. Whenever lighter than standard bullets or powder charges are being used, a lighter recoil spring is a must for correct functioning; however, they **MUST NOT BE USED WITH STANDARD (HARDBALL) LOADS**. The 10 lb. Type A spring is the old favorite (for reduced loads) and for that reason we also make it available as a single item (without the extra power firing pin spring).

## Attributes

- Name: [WOLFF 15 LB. SPRING](#)
- Manufacturer: [WOLFF](#)
- Product no.: 969419150
- Mfr. No.: 41915
- Model: Government
- Pounds: 15 lbs
- Weapon type: 1911
- Delivery weight: 0.018kg
- Shipping height: 3mm
- Shipping width: 86mm
- Shipping length: 226mm

# Safety Instruction Guide for TYPE A RECOIL SPRING FOR TARGET (SOFTBALL) LOADS WOLFF 15 LB. SPRING

## Introduction

Thank you for choosing the TYPE A Recoil Spring for Target (Softball) Loads by Wolff. This guide provides essential safety instructions to ensure the safe use and handling of your recoil spring. Please read this manual carefully before installation and use.

## General Safety Guidelines

- Ensure that all products are used according to the manufacturer's instructions to promote safe operation.
- Regularly inspect the recoil spring for signs of wear or damage. Do not use if damaged.
- Store the recoil spring in a cool, dry place away from direct sunlight and moisture.
- Always handle firearms and their components responsibly and in accordance with local laws and regulations.
- Keep the product out of reach of children and unauthorized users.
- If you experience any issues or have concerns regarding the recoil spring, discontinue use and seek assistance.

## Specific Safety Precautions for Use

- The TYPE A recoil spring is specifically designed for use with target (softball) loads.
- Do not use this recoil spring with standard (hardball) loads, as it may lead to malfunctions or unsafe conditions.
- When using lighter than standard bullets or powder charges, ensure that the lighter recoil spring is installed for proper functioning.
- Always check that the firing pin stop is securely in place to prevent firing pin float.
- Consult a qualified gunsmith if you are unsure about the correct installation or use of the recoil spring.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Remove the slide from the frame of the firearm.
- Carefully remove the old recoil spring and replace it with the TYPE A recoil spring.
- Ensure that the extra power firing pin spring is also installed if applicable.
- Reassemble the firearm and perform a function check to ensure proper operation.

### 2. Usage:

- Always follow safe shooting practices when using your firearm.
- Regularly check the recoil spring for any signs of wear, especially after extensive use.
- If the firearm does not cycle properly, stop using it immediately and inspect the recoil spring and other components.

## Disposal Instructions

- Dispose of the recoil spring in accordance with local regulations concerning metal waste.
- Do not dispose of the recoil spring in regular household trash.

- If you are unsure about disposal methods, contact your local waste management authority for guidance.

## **Contact Information for Further Support**

For any inquiries regarding safety or product usage, please refer to the manufacturer's contact information provided with the product. You can also consult the EU's Safety Gate platform for updates on product safety and recalls.

## **Conclusion**

By following these safety instructions, you can ensure the safe and effective use of the TYPE A Recoil Spring for Target (Softball) Loads. Remember that proper handling and maintenance of your firearm and its components are crucial for your safety and the safety of others. Thank you for your attention to these guidelines.
