OFFICERS ACP COMPACT RECOIL SPRING WOLFF 24 LB. Safety Instruction Guide

Introduction

Thank you for choosing the OFFICERS ACP COMPACT RECOIL SPRING WOLFF 24 LB. This recoil spring is designed to enhance the performance and reliability of your firearm. It is essential to follow the safety guidelines and instructions provided in this manual to ensure safe usage.

General Safety Guidelines

- Always treat firearms as if they are loaded.
- Store the recoil spring and any firearm components in a secure location, out of reach of children and unauthorized users.
- Ensure that you are familiar with local laws and regulations regarding firearm components and modifications.
- Use protective eyewear when handling or installing firearm components.
- Regularly inspect the recoil spring for wear or damage before each use.

Specific Safety Precautions for Use

- This recoil spring is designed for use with factory recoil spring guide rods only. Using it with other components may result in malfunction.
- Ensure that the firearm is unloaded before attempting to install or replace the recoil spring.
- Do not exceed the manufacturer's recommended specifications for spring weight. The standard factory recoil spring is 22 lbs; using a 24 lb spring may alter the firearm's performance.
- If you experience any binding or malfunction during use, discontinue use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is completely unloaded and pointed in a safe direction.
- Gather necessary tools, including a punch tool and a clean cloth.

2. Removing the Old Recoil Spring:

- Disassemble the firearm according to the manufacturer's instructions.
- Carefully remove the old recoil spring from the recoil spring guide rod.

3. Installing the New Recoil Spring:

- Take the new OFFICERS ACP COMPACT RECOIL SPRING WOLFF 24 LB. spring.
- Place the new recoil spring onto the recoil spring guide rod, ensuring it is seated properly.
- Reassemble the firearm following the manufacturer's instructions.

4. Testing:

- Conduct a function check to ensure the firearm operates correctly with the new recoil spring.
- Test the firearm in a safe and controlled environment, ensuring all safety measures are in place.

Disposal Instructions

- Dispose of the old recoil spring and any packaging materials in accordance with local regulations.
- Do not dispose of firearm components in regular household waste. Check with local authorities for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety or product performance, please consult a qualified gunsmith or the retailer from whom you purchased the product.

By following these guidelines and instructions, you can help ensure the safe use of the OFFICERS ACP COMPACT RECOIL SPRING WOLFF 24 LB. Always prioritize safety and responsibility when handling firearms and their components.
