

# GOVERNMENT MODEL VARIABLE POWER RECOIL SPRING - 11 LB. WOLFF VARIABLE POWER SPRING FOR GOVT. MODEL

[Handgun Parts](#) > [Recoil Parts](#) > [Recoil Springs](#)

Variable rate springs function correctly with a wider range of loads than fixed rate springs can. Rate increases as spring is compressed; gives greater protection against frame battering, more consistent lockup and improved feeding, while allowing easier manual cycling of the action. Recoil Calibration Pak contains 1 each of seven different springs; 16½ lb., 15 lb., 14 lb., 13 lb., 11 lb., 10 lb. and 9 lb., plus three extra power firing pin springs. Individual Spring Pak contains one variable power recoil spring and one extra power - firing pin spring. Factory weight is 16 lb.

## Attributes

- Name: [11 LB. WOLFF VARIABLE POWER SPRING FOR GOVT. MODEL](#)
- Manufacturer: [WOLFF](#)

# Safety Instruction Guide for GOVERNMENT MODEL VARIABLE POWER RECOIL SPRING 11 LB.

## Introduction

Thank you for choosing the GOVERNMENT MODEL VARIABLE POWER RECOIL SPRING 11 LB. by WOLFF. This guide provides essential safety instructions and information for the proper use of this product. Please read this document carefully to ensure safe handling and operation.

## General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Always handle the recoil spring with care to avoid injury.
- Keep the recoil spring out of reach of children and vulnerable individuals.
- Regularly inspect the spring for signs of wear or damage before use.
- If you notice any defects, discontinue use immediately and consult a professional.

## Specific Safety Precautions for Use

- The recoil spring is designed for use with the Government Model 1911.
- Ensure the firearm is unloaded before installing or removing the recoil spring.
- Wear appropriate safety gear, including eye protection, when handling firearms.
- Avoid using excessive force when compressing the spring to prevent injury.
- Do not modify the recoil spring or use it in a manner not specified by the manufacturer.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure the firearm is completely unloaded.
- Gather necessary tools, including a punch and hammer if required.

### 2. Installation

- Remove the existing recoil spring from the firearm.
- Take the new WOLFF variable power recoil spring and inspect it for any damage.
- Insert the new recoil spring into the recoil spring guide.
- Ensure the spring is seated correctly and is not pinched or misaligned.

### 3. Usage

- After installation, cycle the action of the firearm to ensure proper function.
- Test the firearm in a safe environment to confirm that the spring operates correctly.
- Regularly check the spring's performance and replace it if necessary.

## Disposal Instructions

- Dispose of the recoil spring in accordance with local regulations.
- Do not dispose of the spring in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the GOVERNMENT MODEL VARIABLE POWER RECOIL SPRING, please refer to the manufacturer's customer service resources or consult a qualified firearms professional.

By following these guidelines, you can ensure safe and effective use of the GOVERNMENT MODEL VARIABLE POWER RECOIL SPRING 11 LB. Thank you for prioritizing safety in your firearm handling practices.
