

# GOVERNMENT MODEL VARIABLE POWER RECOIL SPRING - 15 LB. WOLFF VARIABLE POWER SPRING FOR GOVT. MODEL

[Handgun Parts](#) > [Recoil Parts](#) > [Recoil Springs](#)

Variable rate springs function correctly with a wider range of loads than fixed rate springs can. Rate increases as spring is compressed; gives greater protection against frame battering, more consistent lockup and improved feeding, while allowing easier manual cycling of the action. Recoil Calibration Pak contains 1 each of seven different springs; 16½ lb., 15 lb., 14 lb., 13 lb., 11 lb., 10 lb. and 9 lb., plus three extra power firing pin springs. Individual Spring Pak contains one variable power recoil spring and one extra power - firing pin spring. Factory weight is 16 lb.

15 lb. Wolff Variable Power Spring for Govt. Model

## Attributes

# **Safety Instruction Guide for GOVERNMENT MODEL VARIABLE POWER RECOIL SPRING 15 LB. WOLFF VARIABLE POWER SPRING FOR GOVT. MODEL**

## **Introduction**

Thank you for choosing the Wolff Variable Power Spring for your Government Model. This guide provides essential safety instructions and guidelines to ensure the safe use of the recoil spring. Please read this document carefully before installation and usage.

## **General Safety Guidelines**

- Ensure that the product is used only for its intended purpose.
- Always keep the spring out of reach of children and vulnerable individuals.
- Regularly inspect the spring for any signs of wear or damage.
- Do not attempt to modify or alter the spring in any way.
- If you notice any issues during use, stop immediately and consult a professional.

## **Specific Safety Precautions for Use**

- Always wear appropriate safety gear when handling firearms.
- Use the recoil spring only with compatible Government Model firearms.
- Follow all manufacturer guidelines and local laws regarding firearm modifications.
- Never exceed the recommended weight for the spring; using a spring with a higher pound rating can lead to unsafe conditions.
- Store the spring in a cool, dry place to prevent corrosion and deterioration.

## **Instructions for Installation and Usage**

### **1. Preparation:**

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools for installation, including a punch and a hammer.

### **2. Installation:**

- Remove the current recoil spring from the firearm.
- Carefully insert the Wolff Variable Power Spring into the recoil spring guide.
- Ensure that the spring is seated properly and aligned with the guide rod.
- Reassemble the firearm according to the manufacturer's instructions.

### **3. Usage:**

- Test the firearm in a controlled environment to ensure proper function.
- Monitor the performance of the spring during use; if you experience any malfunctions, cease use immediately.
- Regularly clean and maintain the firearm and the spring to ensure longevity and safety.

## Disposal Instructions

- Dispose of the recoil spring in accordance with local regulations regarding metal recycling.
- Do not dispose of the spring in regular household waste.
- If you are unsure about proper disposal methods, contact your local waste management facility for guidance.

## Contact Information for Further Support

For any safety inquiries or concerns regarding your Wolff Variable Power Spring, please refer to the manufacturer's contact information provided with your product packaging.

## Conclusion

By following these safety instructions, you can ensure a safe and effective experience with the Wolff Variable Power Spring for your Government Model. Always prioritize safety and compliance with local laws during usage. Thank you for your attention to these important guidelines.
