

# GOVERNMENT MODEL VARIABLE POWER RECOIL SPRING - 16 1/2 LB. WOLFF VARIABLE POWER SPRING FOR GOVT. MODEL

[Handgun Parts](#) > [Recoil Parts](#) > [Recoil Springs](#)

Variable rate springs function correctly with a wider range of loads than fixed rate springs can. Rate increases as spring is compressed; gives greater protection against frame battering, more consistent lockup and improved feeding, while allowing easier manual cycling of the action. Recoil Calibration Pak contains 1 each of seven different springs; 16½ lb., 15 lb., 14 lb., 13 lb., 11 lb., 10 lb. and 9 lb., plus three extra power firing pin springs. Individual Spring Pak contains one variable power recoil spring and one extra power - firing pin spring. Factory weight is 16 lb.

16 1/2 lb. Wolff Variable Power Spring for Govt. Model

# **GOVERNMENT MODEL VARIABLE POWER RECOIL SPRING 16 1/2 LB. WOLFF VARIABLE POWER SPRING FOR GOVT. MODEL Safety Instruction Guide**

## **Introduction**

Thank you for choosing the Wolff Variable Power Spring for Government Model. This guide provides essential safety instructions to ensure safe handling, installation, and usage of the recoil spring. Please read this guide carefully before using the product.

## **General Safety Guidelines**

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always handle the recoil spring with care to prevent injury.
- Store the recoil spring in a safe, dry place away from children and pets.
- Regularly inspect the recoil spring for any signs of wear or damage before use.
- Follow all local laws and regulations regarding the use of firearm accessories.

## **Specific Safety Precautions for Use**

- Only use the recoil spring with compatible Government Model firearms.
- Do not exceed the recommended spring weight for your specific firearm model.
- Always wear appropriate safety gear, including eye protection, when handling firearms.
- Ensure that the firearm is unloaded before installing or replacing the recoil spring.
- Be aware of your surroundings and ensure a safe environment when handling firearms.

## **Instructions for Installation and Usage**

### **1. Preparation:**

- Ensure the firearm is completely unloaded.
- Gather necessary tools for installation, such as a punch tool and a screwdriver.

### **2. Installation Steps:**

- Remove the slide from the firearm according to the manufacturer's instructions.
- Remove the old recoil spring by carefully pushing out the retaining pin or using the appropriate tool.
- Insert the new Wolff Variable Power Spring into the recoil spring guide.
- Reassemble the slide onto the firearm, ensuring all components are securely in place.
- Test the function of the firearm in a safe environment before regular use.

### **3. Usage:**

- Familiarize yourself with the firearm's operation after installing the new recoil spring.
- Conduct regular maintenance checks to ensure optimal performance and safety.

## Disposal Instructions

- Dispose of the recoil spring in accordance with local regulations.
- Do not dispose of the recoil spring in regular household waste.
- Consider recycling options where available to minimize environmental impact.

## Contact Information for Further Support

For any safety inquiries or additional support regarding the Wolff Variable Power Spring, please consult the manufacturer's website or contact their customer service directly.

By following these safety instructions, you contribute to a safer environment for yourself and others while enjoying the benefits of your Wolff Variable Power Spring for Government Model. Always prioritize safety and compliance with local laws.
