

GOVERNMENT MODEL VARIABLE POWER RECOIL SPRING - 17 1/2 LB. WOLFF VARIABLE POWER SPRING FOR GOVT. MODEL

[Handgun Parts](#) > [Recoil Parts](#) > [Recoil Springs](#)

Variable rate springs function correctly with a wider range of loads than fixed rate springs can. Rate increases as spring is compressed; gives greater protection against frame battering, more consistent lockup and improved feeding, while allowing easier manual cycling of the action. Recoil Calibration Pak contains 1 each of seven different springs; 16½ lb., 15 lb., 14 lb., 13 lb., 11 lb., 10 lb. and 9 lb., plus three extra power firing pin springs. Individual Spring Pak contains one variable power recoil spring and one extra power - firing pin spring. Factory weight is 16 lb.

Attributes

- Name: [17 1/2 LB. WOLFF VARIABLE POWER SPRING FOR GOVT. MODEL](#)
- Manufacturer: [WOLFF](#)
- Product no.: 969424017
- Mfr. No.: 42417
- Model: Government
- Pounds: 17.5 lbs
- Weapon type: 1911
- Delivery weight: 0.02kg
- Shipping height: 15mm
- Shipping width: 86mm
- Shipping length: 224mm

GOVERNMENT MODEL VARIABLE POWER RECOIL SPRING 17 1/2 LB. WOLFF VARIABLE POWER SPRING FOR GOVT. MODEL

Introduction

Thank you for choosing the Wolff Variable Power Recoil Spring for your Government Model firearm. This guide provides essential safety instructions and information to ensure the safe and effective use of the recoil spring. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure that the product is suitable for your specific firearm model before use.
- Always handle firearms safely and responsibly, following all local laws and regulations.
- Store the recoil spring in a dry, cool place away from direct sunlight and moisture.
- Regularly inspect the recoil spring for signs of wear or damage before each use.
- Keep the recoil spring and all firearm components out of reach of children and unauthorized individuals.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform to stay informed about product safety.

Specific Safety Precautions for Use

- Only use the recoil spring with compatible Government Model firearms.
- Do not exceed the manufacturer's recommended load specifications.
- Ensure that the firearm is unloaded before installing or replacing the recoil spring.
- Wear appropriate safety gear, including eye protection, when handling firearms.
- Avoid using the recoil spring if it appears damaged or worn.
- Be aware of the potential for frame battering and ensure proper installation to mitigate this risk.

Instructions for Installation and Usage

1. Preparation

- Ensure the firearm is completely unloaded.
- Gather necessary tools for installation (if applicable).

2. Installation

- Remove the old recoil spring from the firearm by following the manufacturer's guidelines.
- Take the new Wolff Variable Power Recoil Spring from the packaging.
- Carefully install the new recoil spring into the recoil spring guide according to the firearm's manual.
- Ensure that the spring is seated properly and functions smoothly.

3. Usage

- After installation, cycle the action of the firearm manually to ensure proper function.
- Test the firearm in a safe environment, following all safety protocols.
- Monitor the performance of the recoil spring during use and check for any irregularities.

Disposal Instructions

- Dispose of the old recoil spring and packaging materials in accordance with local regulations.
- Do not dispose of the recoil spring in a manner that may pose a risk to the environment or public safety.
- If the recoil spring is damaged or no longer usable, contact a local waste disposal authority for guidance.

Contact Information for Further Support

For any questions or concerns regarding the Wolff Variable Power Recoil Spring, please refer to the manufacturer's contact resources or consult the product packaging for further instructions.

Thank you for prioritizing safety and compliance with the EU General Product Safety Regulation. Your responsible use of this product contributes to a safer environment for all consumers.
