

COLT COMMANDER VARIABLE POWER RECOIL SPRING - 10 LB. WOLFF VARIABLE POWER SPRING FOR COLT COMMANDER

[Handgun Parts](#) > [Recoil Parts](#) > [Recoil Springs](#)

Variable rate springs function correctly with a wider range of loads than fixed rate springs can. Rate increases as spring is compressed; gives greater protection against frame battering, more consistent lockup and improved feeding, while allowing easier manual cycling of the action. All springs are variable power. 18 lb. spring is factory standard; includes extra power firing pin spring.

10 lb. Wolff Variable Power Spring for Colt Commander

Attributes

- Name: [10 LB. WOLFF VARIABLE POWER SPRING FOR COLT COMMANDER](#)
- Manufacturer: [WOLFF](#)

Safety Instruction Guide for COLT COMMANDER VARIABLE POWER RECOIL SPRING 10 LB. WOLFF VARIABLE POWER SPRING FOR COLT COMMANDER

Introduction

Thank you for choosing the COLT COMMANDER VARIABLE POWER RECOIL SPRING 10 LB. WOLFF VARIABLE POWER SPRING FOR COLT COMMANDER. This guide provides essential safety information to ensure the safe and effective use of this product. Please read this guide thoroughly before installation and usage.

General Safety Guidelines

- Ensure that the recoil spring is compatible with your Colt Commander model.
- Always handle firearms and their components responsibly and in accordance with local laws and regulations.
- Keep the recoil spring and all firearms out of reach of children and unauthorized users.
- Regularly inspect the recoil spring for signs of wear or damage before use.
- If you experience any issues during installation or usage, seek assistance from a qualified gunsmith.

Specific Safety Precautions for Use

- Always wear appropriate eye protection when handling firearms.
- Do not exceed the specified power rating of the recoil spring (10 lbs) during usage.
- Ensure that the firearm is unloaded before installing or replacing the recoil spring.
- Follow the manufacturer's instructions for installation and usage to avoid accidents.
- Avoid using the recoil spring if it shows signs of deformation or deterioration.

Instructions for Installation and Usage

1. Preparation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather all necessary tools for installation (e.g., screwdriver, pliers).

2. Installation

- Remove the slide from the firearm according to the manufacturer's instructions.
- Locate the recoil spring assembly and carefully remove the old spring.
- Insert the new Wolff Variable Power Spring into the recoil spring assembly.
- Reassemble the slide onto the firearm, ensuring all components are correctly aligned.

3. Usage

- Test the firearm in a safe environment to ensure proper function.
- Monitor the performance of the recoil spring during use and check for any irregularities.
- If any issues arise, discontinue use and consult a qualified gunsmith.

Disposal Instructions

- Dispose of any old or damaged recoil springs in accordance with local regulations.
- Do not throw the recoil spring in regular trash; check for recycling options or hazardous waste disposal sites.

Contact Information for Further Support

For safety inquiries or concerns regarding the COLT COMMANDER VARIABLE POWER RECOIL SPRING, please consult with a qualified gunsmith or refer to the manufacturer's website for additional resources.

Conclusion

By following these safety instructions, you can ensure the safe and effective use of the COLT COMMANDER VARIABLE POWER RECOIL SPRING 10 LB. WOLFF VARIABLE POWER SPRING FOR COLT COMMANDER. Always prioritize safety and responsibility when handling firearms and their components.
