

# **COLT COMMANDER VARIABLE POWER RECOIL SPRING - 20 LB. WOLFF VARIABLE POWER SPRING FOR COLT COMMANDER**

[Handgun Parts](#) > [Recoil Parts](#) > [Recoil Springs](#)

Variable rate springs function correctly with a wider range of loads than fixed rate springs can. Rate increases as spring is compressed; gives greater protection against frame battering, more consistent lockup and improved feeding, while allowing easier manual cycling of the action. All springs are variable power. 18 lb. spring is factory standard; includes extra power firing pin spring.

20 lb. Wolff Variable Power Spring for Colt Commander

## **Attributes**

- Name: [20 LB. WOLFF VARIABLE POWER SPRING FOR COLT COMMANDER](#)
- Manufacturer: [WOLFF](#)

# **Safety Instructions for COLT COMMANDER VARIABLE POWER RECOIL SPRING 20 LB. WOLFF VARIABLE POWER SPRING FOR COLT COMMANDER**

## **Introduction**

Thank you for choosing the COLT COMMANDER VARIABLE POWER RECOIL SPRING 20 LB. This product is designed to enhance the performance of your Colt Commander firearm. To ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR), please read and follow these safety instructions carefully.

## **General Safety Guidelines**

- Ensure that you are familiar with the operation and maintenance of your firearm before installing or using this recoil spring.
- Always handle firearms with care and follow the basic rules of firearm safety.
- Store this product in a safe place, away from children and unauthorized users.
- Regularly inspect the recoil spring for any signs of wear or damage.
- Report any unsafe products or incidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

## **Specific Safety Precautions for Use**

- Only use this recoil spring with the Colt Commander model.
- Do not exceed the recommended weight of 20 lbs for this recoil spring.
- Ensure that the firearm is unloaded before installing or replacing the recoil spring.
- Wear appropriate eye protection when handling firearms and during installation.
- Avoid using this product in extreme temperatures or conditions that may affect its performance.

## **Instructions for Installation and Usage**

### **1. Preparation:**

- Ensure the firearm is completely unloaded.
- Gather necessary tools for installation (e.g., screwdriver, pliers).

### **2. Installation:**

- Remove the slide from the firearm according to the manufacturer's instructions.
- Carefully remove the existing recoil spring from the guide rod.
- Take the new Wolff Variable Power Spring and place it onto the guide rod.
- Ensure the spring is seated properly and securely.
- Reassemble the slide and ensure all components are secured.

### **3. Usage:**

- After installation, conduct a function check to ensure the firearm operates correctly.
- Test fire the firearm in a safe and controlled environment.
- Monitor the performance of the recoil spring during use. If you notice any irregularities, stop using the firearm immediately.

## **Disposal Instructions**

- Dispose of the recoil spring in accordance with local regulations.
- Do not dispose of the recoil spring in household waste.
- Consider recycling the product if possible.

## **Contact Information for Further Support**

For any inquiries regarding the safety or performance of the COLT COMMANDER VARIABLE POWER RECOIL SPRING, please refer to the manufacturer's contact information provided with your product or visit the manufacturer's website.

By following these safety instructions, you can ensure a safe and effective use of your COLT COMMANDER VARIABLE POWER RECOIL SPRING 20 LB. Thank you for your attention to safety.
