

TYPE A RECOIL SPRING FOR TARGET (SOFTBALL) LOADS - WOLFF 10 LB., SPRING, 10-PAK

[Handgun Parts](#) > [Recoil Parts](#) > [Recoil Springs](#)

Fine Tune For Light, Standard Or Heavy Loads

Like all Wolff springs, these for the 1911 Auto in .45, .38 Super or 9mm are the finest, most reliable, longest lasting ones available. The springs of choice for most of the nation's top builders. Except where noted, all recoil springs are supplied with an extra power firing pin spring that keeps the firing pin stop in place and prevents firing pin float ; an addition recommended by pistolsmith Bill Wilson. TYPE A - For Target (Softball) Loads were originally recommended to us by Major F. B. Conway, U.S.A. - M.T.U. Whenever lighter than standard bullets or powder charges are being used, a lighter recoil spring is a must for correct functioning; however, they **MUST NOT BE USED WITH STANDARD (HARDBALL) LOADS**. The 10 lb. Type A spring is the old favorite (for reduced loads) and for that reason we also make it available as a single item (without the extra power firing pin spring).

Attributes

- Name: [WOLFF 10 LB., SPRING, 10-PAK](#)
- Manufacturer: [WOLFF](#)
- Product no.: 969950510
- Mfr. No.:
- Model: Government

Safety Instruction Guide for TYPE A RECOIL SPRING FOR TARGET (SOFTBALL) LOADS WOLFF 10 LB., SPRING, 10PAK

Introduction

Thank you for choosing the TYPE A Recoil Spring for Target (Softball) Loads by Wolff. This guide provides essential safety information and instructions to ensure the safe and effective use of this product. Please read this guide carefully before using the recoil spring.

General Safety Guidelines

- Ensure proper handling of all firearm components, including recoil springs.
- Always follow safe firearm practices and handle firearms as if they are loaded.
- Keep the recoil spring and all firearm components out of reach of children and unauthorized users.
- Inspect the recoil spring regularly for signs of wear or damage.
- Do not use the recoil spring with standard (hardball) loads; it is designed specifically for target (softball) loads.
- Always wear appropriate eye and ear protection when shooting.

Specific Safety Precautions for Use

- Use only with firearms that are compatible with the 1911 Auto in .45, .38 Super, or 9mm.
- Ensure that the recoil spring is installed correctly to avoid malfunctions.
- Be aware of the lighter recoil spring's function; it is designed for reduced loads only.
- Never modify the recoil spring or use it in a way that is not intended by the manufacturer.
- If you experience any malfunctions or issues while using the recoil spring, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and the magazine is removed.
- Disassemble the firearm according to the manufacturer's instructions.
- Remove the existing recoil spring and replace it with the TYPE A recoil spring.
- Ensure that the spring is seated properly in the recoil spring guide.
- Reassemble the firearm following the manufacturer's guidelines.

2. Usage:

- Load the firearm with target (softball) loads only.
- Conduct a function check to ensure the firearm operates correctly with the new recoil spring.
- Monitor the performance of the firearm during use. If any issues arise, stop using the firearm immediately.

Disposal Instructions

- Dispose of the recoil spring responsibly.
- Recycle the spring according to local regulations regarding metal waste.
- Do not dispose of the recoil spring in regular household waste.

Contact Information for Further Support

For any safety inquiries or support regarding this product, please refer to the manufacturer's contact details, which can be found on the packaging or the manufacturer's website.

Conclusion

Your safety and the safety of others are paramount. By following these guidelines, you can ensure the proper use of the TYPE A Recoil Spring for Target (Softball) Loads by Wolff. Always prioritize safety and responsible firearm handling. Thank you for your attention to these important safety instructions.
