

PRE-FINISHED REPLACEMENT SHOTGUN FORENDS - FOREND FITS REM. 11, 12 GA.

[Shotgun Parts](#) > [Stock & Forend Parts](#) > [Forends](#)

Provides A Factory Quality Fit With Hardly Any Work

Classic, American Walnut forends are sanded and given a three-coat, Danish oil finish to provide excellent weather resistance and durability. Quality, straight-grained wood looks sharp and is easy to touch up if the forend is nicked or dinged.

Safety Instruction Guide for PREFINISHED REPLACEMENT SHOTGUN FORENDS

Introduction

Thank you for choosing the PREFINISHED REPLACEMENT SHOTGUN FORENDS designed to fit Remington Model 11 and 12 gauge shotguns. This guide provides essential safety instructions and guidelines to ensure safe and effective use of your product. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure that the forend is compatible with your shotgun model before installation.
- Always handle firearms responsibly and ensure they are unloaded when performing any maintenance or modifications.
- Store the forend and shotgun in a secure location, away from children and unauthorized users.
- Regularly inspect the forend and shotgun for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm modifications and usage.

Specific Safety Precautions for Use

- Only use the forend with the specified shotgun models (Remington Model 11 and 12 gauge).
- Do not use the forend if it shows any signs of damage or if the fit is not secure.
- Avoid exposing the forend to extreme temperatures or moisture to maintain its integrity.
- If the forend is nicked or dinged, touch up with appropriate wood finish to prevent further damage.
- Always wear appropriate safety gear, such as eye protection, when working with firearms.

Instructions for Installation and Usage

1. Preparation

- Ensure the shotgun is unloaded and pointed in a safe direction.
- Gather necessary tools for installation, including a screwdriver and any required hardware.

2. Removing the Old Forend

- Locate the retaining screws on the existing forend.
- Carefully remove the screws using the screwdriver.
- Gently pull the old forend away from the shotgun, being cautious not to damage any surrounding components.

3. Installing the New Forend

- Align the new forend with the shotgun's action.
- Ensure that the forend fits snugly and securely.
- Insert the original hardware into the designated holes and tighten the screws to secure the forend in place.
- Do not overtighten, as this may damage the wood.

4. Final Check

- Ensure that the forend is securely attached and does not wobble.
- Check the fitment and ensure that all components are functioning correctly before using the shotgun.

Disposal Instructions

- Dispose of any packaging materials responsibly and in accordance with local regulations.
- If you need to dispose of the forend or any damaged parts, check local guidelines for wood waste disposal or recycling options.

Contact Information for Further Support

For any safety inquiries or concerns regarding the PREFINISHED REPLACEMENT SHOTGUN FORENDS, please refer to your retailer or manufacturer for assistance.

By following these guidelines, you can ensure the safe and effective use of your shotgun forend. Thank you for prioritizing safety and compliance with the EU General Product Safety Regulation.
