# Safety Instruction Guide for SAVAGE 99 Straight Finished Stock Buttstock

## Introduction

Thank you for choosing the SAVAGE 99 Straight Finished Stock Buttstock. This guide provides important safety instructions to ensure the safe and proper use of your new product. Please read this guide carefully before installation and usage.

## General Safety Guidelines

- Always ensure that the firearm is unloaded before installing or handling the buttstock.
- Inspect the buttstock for any damage before use. Do not use if there are any visible defects.
- Keep the buttstock out of reach of children and unauthorized users.
- Follow all local laws and regulations regarding firearm modifications and accessories.
- Store the buttstock in a dry place to prevent damage from moisture.

## Specific Safety Precautions for Use

- Ensure that the buttstock is compatible with your firearm model (Savage 99).
- Use caution when fitting the buttstock to avoid injury from sharp edges.
- Do not exceed the manufacturer's recommended specifications for installation.
- Regularly check the buttstock for wear and tear, and replace if necessary.
- If you experience any issues during installation or use, cease operation and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools for installation, including a screwdriver and any fitting tools required.
- Ensure that your workspace is clean and welllit.

### 2. Installation Steps:

- Remove the existing buttstock from your Savage 99 firearm by unscrewing the mounting screws.
- Align the new SAVAGE 99 Straight Finished Stock Buttstock with the mounting points on the firearm.
- Secure the buttstock in place using the mounting screws. Tighten them firmly but do not overtighten to avoid damaging the wood.
- Check the alignment and fit of the buttstock with the firearm before finalizing installation.

### 3. PostInstallation:

- Once installed, perform a function check to ensure that the buttstock is securely attached and that the firearm operates correctly.
- Clean any excess oil or debris from the buttstock to maintain its appearance and functionality.

## Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If you need to dispose of the buttstock, consider recycling the wood if possible. Check with local waste management authorities for disposal options.
