## Safety Instructions

### Introduction

Thank you for purchasing the AR15/M16 Firing Pin Retaining Pin Five Pack. This product is designed to provide genuine, militaryspec quality pins for your AR15 or M16 firearm. It is essential to follow the safety guidelines and instructions outlined in this manual to ensure safe and effective use.

### General Safety Guidelines

- Always handle firearms with care and follow the manufacturer's safety instructions.
- Ensure the firearm is unloaded before performing any maintenance or installation of parts.
- Be aware of your surroundings and ensure that you are in a safe environment when using your firearm.
- Store all firearm components, including pins, out of reach of children and unauthorized users.
- Regularly inspect all components for wear or damage before use.
- Report any unsafe products or accidents to the appropriate authorities.

### Specific Safety Precautions for Use

- **Potential Hazards:**
  - Improper installation may lead to malfunction of the firearm.
  - Loss of pins during operation can result in unsafe conditions.
- **Instructions for Avoiding Hazards:**
  - Always verify that the pins are correctly installed and secured before using your firearm.
  - Do not attempt to use the firearm if any parts are missing or damaged.
  - Use only genuine parts and accessories designed for your specific model.

### Instructions for Installation and Usage

- **Installation:**
  1. Ensure the firearm is unloaded and pointed in a safe direction.
  2. Remove the existing firing pin retainer pin using appropriate tools.
  3. Insert the new firing pin retaining pin into the designated slot, ensuring it is properly aligned.
  4. Confirm that the pin is securely in place and does not move when tested.
- **Usage:**
  - Regularly check the condition of the firing pin retaining pin during routine maintenance.
  - If you experience any issues with the firearm's operation, consult a qualified gunsmith for assistance.

### Disposal Instructions

- Dispose of any damaged or worn pins in accordance with local regulations.
- Do not dispose of pins in a manner that could be hazardous to the environment or public safety.
