# AR15/M16 Magazine Release Spring Safety Instructions

## Introduction

Thank you for choosing the AR15/M16 Magazine Release Spring. This product is designed to provide reliable performance for your firearm. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always handle firearms with care and follow all safety protocols.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for wear and damage before use.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about recall updates through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Use only genuine AR15/M16 parts to ensure compatibility and safety.
- Avoid using the product if it shows signs of wear, damage, or corrosion.
- Do not modify the spring or any associated components.
- Always wear safety glasses when handling or installing firearm components.
- Ensure the firearm is unloaded before installing or replacing the magazine release spring.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure your workspace is clean and free of distractions.
- Gather necessary tools for installation, such as a screwdriver and pliers.

### 2. Installation:

- Ensure the firearm is completely unloaded.
- Remove the existing magazine release spring if applicable.
- Insert the new magazine release spring into the designated slot.
- Ensure that the spring is properly seated and secured.

### 3. Usage:

- Test the magazine release function to ensure it operates smoothly.
- If the magazine release does not function properly, recheck the installation.

### 4. PostInstallation:

- Store any unused parts in a safe location.
- Regularly check the spring for wear and tear during routine firearm maintenance.

## Disposal Instructions

- Dispose of any old or damaged springs in accordance with local regulations.

- Do not dispose of springs in fire or water sources.
- Consider recycling options for metal components if available.

## **Contact Information for Further Support**

For any questions or concerns regarding the product, please consult your retailer or manufacturer for assistance. They can provide you with the necessary support and guidance.

Thank you for your attention to these safety instructions. Your safety and the safety of others depend on proper handling and usage of this product.
