# AR15/M16 Pivot Pin Detent Spring Safety Instructions

## Introduction

Thank you for purchasing the AR15/M16 Pivot Pin Detent Spring 5 Pack from TTI International. This product is designed to provide reliable performance for your AR15 or M16 firearm. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Always handle all firearm components with care and respect.
- Ensure that you are familiar with the operation of your firearm before installation.
- Keep all components, including springs, away from children and unauthorized users.
- Store the product in a safe and secure location to prevent accidental loss or misuse.
- Regularly inspect your firearm and its components for wear and damage.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Only use this product with AR15 or M16 firearms.
- Ensure that the firearm is unloaded before beginning any work on it.
- Wear safety glasses to protect your eyes from potential spring recoil during installation.
- Avoid placing fingers or hands near the spring when it is under tension.
- If you are unsure about the installation process, seek assistance from a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools, including a small punch and a hammer.
- Ensure you are in a welllit and clean workspace.

### 2. Disassembly of the Firearm:

- Ensure the firearm is completely unloaded.
- Disassemble the firearm according to the manufacturer's instructions.

### 3. Installation of the Pivot Pin Detent Spring:

- Locate the pivot pin area of your firearm.
- Insert the new pivot pin detent spring into the designated hole.
- Use the punch to gently push the spring into place, ensuring it is seated properly.

### 4. Reassembly of the Firearm:

- Follow the manufacturer's instructions to reassemble the firearm.
- Doublecheck that all components are securely in place.

### 5. Final Inspection:

- Inspect the installed spring to ensure it is functioning correctly.
- Test the firearm in a safe environment to ensure proper operation.

## **Disposal Instructions**

- Dispose of any old or damaged springs in accordance with local regulations.
- Do not dispose of springs in a manner that could pose a risk to the environment or public safety.

## **Contact Information for Further Support**

For any questions or concerns regarding the AR15/M16 Pivot Pin Detent Spring, please refer to the manufacturer's contact information provided on the packaging or visit their official website for support.

Thank you for your attention to these safety instructions. Your safety and the safety of others depend on proper handling and usage of firearm components.
