AR15/M16 Takedown Pin Detent Spring Safety Instruction Guide

Introduction

Thank you for purchasing the AR15/M16 Takedown Pin Detent Spring 5 Pack. This product is designed to provide reliable performance for your firearm. To ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR), please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always handle firearm components with care to avoid injury.
- Ensure that the firearm is unloaded before performing any maintenance or installation.
- Use only genuine parts that are compatible with your firearm model.
- Keep all parts out of reach of children and unauthorized users.
- Regularly inspect springs and other components for wear and damage.
- Report any unsafe products or incidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Potential Hazards:**

- Springs can be under tension and may cause injury if released suddenly.
- Improper installation can lead to firearm malfunction.

- **Avoiding Hazards:**

- Always wear safety glasses when working with springs.
- Use appropriate tools to handle and install the springs.
- Follow the instructions carefully to prevent accidents.

- **Age Restrictions:**

- This product is not intended for use by children. Ensure that only adults handle and install the springs.

Instructions for Installation and Usage

1. Preparation:

- Gather necessary tools: small screwdriver, pliers, and safety glasses.
- Ensure your workspace is clean and free of distractions.

2. Installation Steps:

- Make sure your firearm is completely unloaded.
- Locate the takedown pin area of your firearm.
- Remove the existing takedown pin spring if applicable.
- Insert the new takedown pin detent spring into the designated area.
- Ensure that the spring is seated properly and is not pinched.
- Reinstall the takedown pin, ensuring it moves freely.

3. **PostInstallation Check:**

- Test the takedown pin function to confirm it operates smoothly.
- Inspect the installation to ensure there are no loose parts.

4. **Usage:**

- Regularly check the functionality of the spring during routine maintenance.
- Replace any springs that show signs of wear, damage, or malfunction.

Disposal Instructions

- Dispose of any old or damaged springs in accordance with local regulations.
- Do not dispose of springs in regular household waste.
- Consider recycling options for metal components.

Contact Information for Further Support

For questions or concerns regarding the AR15/M16 Takedown Pin Detent Spring, please consult the manufacturer's website or customer service for assistance. Always ensure compliance with local laws and regulations regarding firearm components.
