Safety Instruction Guide for GAS TUBE PIN TRIGGERGUARD PIN

Introduction

Thank you for choosing the GAS TUBE PIN TRIGGERGUARD PIN. This product consists of genuine, militaryspec quality small pins designed for the AR15/M16. These pins are essential components that can wear out, break, or get lost. This guide provides important safety instructions to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Always read and follow the product instructions before use.
- Keep this product out of reach of children and vulnerable individuals.
- Inspect the product regularly for signs of wear or damage.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Handle the pins with care to avoid injury.
- Avoid using damaged or worn pins, as they may compromise safety.
- Ensure that you are familiar with the assembly and disassembly procedures of your firearm.
- Always wear appropriate safety gear, such as eye protection, when working with firearms.
- Store the pins in a secure location to prevent accidental ingestion or misuse.

Instructions for Installation and Usage

1. Preparation:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Gather all necessary tools for installation.

2. Installation:

- Locate the trigger guard area of your AR15/M16.
- Remove any existing pins using the appropriate tools.
- Align the GAS TUBE PIN TRIGGERGUARD PIN with the trigger guard holes.
- Insert the pin firmly but do not force it, ensuring it is seated properly.
- Check for proper alignment and ensure that the pin is secure.

3. Usage:

- Regularly check the secure fit of the pins during routine firearm maintenance.
- Replace any pins that show signs of wear or damage immediately.

Disposal Instructions

- Dispose of any damaged or worn pins in accordance with local regulations.
- Do not dispose of pins in general household waste. Instead, consider recycling options if available.
- Ensure that disposed products are kept out of reach of children and pets.

Contact Information for Further Support

For any safety inquiries or assistance regarding the GAS TUBE PIN TRIGGERGUARD PIN, please refer to the EU contact point for product safety.

Thank you for your attention to these safety instructions. Your safety and the safety of others depend on the proper use and maintenance of this product.
