

# SSA, Spotting Scope Adaptor

[Shooting Accessories](#) > [Shooting Rests](#) > [Shooting Rest Accessories](#)

The BOG-POD® SSA clamps securely to a vehicle window to provide a steady viewing platform. The adjustment handle allows the SSA to glide smoothly and can be locked down securely. The SSA clamp is wide enough to attach to tree stands, in box blind windows and on security bars up to 1" thick. The rotating head has the BOG-POD® Switcheroo® System incorporated so it can easily be installed to any BOG-POD® Tripod.

# BOG SSA Spotting Scope Adaptor Safety Instruction Guide

## Introduction

Thank you for choosing the BOG SSA, Spotting Scope Adaptor. This guide provides important safety information and instructions to ensure safe use of the product. Please read this guide carefully before using the adaptor.

## General Safety Guidelines

- Ensure that the BOG SSA is used only for its intended purpose as a spotting scope adaptor.
- Always inspect the adaptor for any damage before use. Do not use if damaged.
- Keep the adaptor out of reach of children and vulnerable individuals to prevent accidents.
- Be aware of your surroundings when using the adaptor, especially in outdoor environments.
- Follow all local laws and regulations regarding the use of spotting scopes and accessories.

## Specific Safety Precautions for Use

- Always secure the adaptor firmly to the vehicle window or other surfaces before use.
- Do not exceed the weight limit specified for the adaptor.
- Ensure that the adjustment handle is locked in place before using the spotting scope.
- Avoid using the adaptor in extreme weather conditions, such as high winds or heavy rain.
- Be cautious when using the adaptor near moving vehicles or in crowded areas.

## Instructions for Installation and Usage

### Installation

#### 1. Prepare the Vehicle Window:

- Clean the area of the vehicle window where the adaptor will be installed to ensure a secure grip.

#### 2. Attach the Adaptor:

- Open the clamp of the BOG SSA.
- Position the adaptor on the vehicle window, ensuring it is level and secure.
- Close the clamp firmly to secure the adaptor in place.

#### 3. Adjust the Position:

- Use the adjustment handle to glide the adaptor into the desired position.
- Lock the adjustment handle securely to prevent movement during use.

#### 4. Attach the Spotting Scope:

- Use the BOGPOD Switcheroo System to attach your spotting scope to the rotating head of the adaptor.
- Ensure the spotting scope is securely fastened before use.

### Usage

- Always check the stability of the adaptor before looking through the spotting scope.
- Make adjustments as needed to achieve the best viewing angle.
- If using in a vehicle, ensure the vehicle is parked safely and is not in motion.

## **Disposal Instructions**

- Dispose of the BOG SSA in accordance with local regulations.
- Do not dispose of the adaptor in household waste. Check for recycling options in your area.

## **Contact Information for Further Support**

For any safety inquiries or support regarding the BOG SSA, please contact the manufacturer through the provided channels. Ensure that you have the product details ready for efficient assistance.

Thank you for your attention to these safety instructions. Enjoy using your BOG SSA, Spotting Scope Adaptor safely and responsibly.
