BOG PCA Professional Camera Adapter Safety Instruction Guide

Introduction

Thank you for choosing the BOG PCA Professional Camera Adapter. This guide provides important safety information, usage instructions, and disposal guidelines to ensure your safe and effective use of the product.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as a camera adapter.
- Always inspect the adapter for any signs of damage before use.
- Keep the adapter out of reach of children and pets.
- Use the adapter in a stable environment to avoid accidents or injuries.
- Follow all local regulations and guidelines regarding the use of camera equipment.

Specific Safety Precautions for Use

- **PistolGrip Operation:** Always operate the pistolgrip style ball head with one hand to maintain control.
- **QuickChange Stem:** Ensure the quickchange stem is securely attached to the BOGPOD® shooting sticks before use.
- **Top Lever Release Lock:** Always engage the top lever release lock to prevent accidental release of your camera.
- **Accessory Plate:** Check that the accessory plate is properly attached and that the threads (1/4"20 and 3/8"16) are compatible with your camera mount.
- **Weight Consideration:** The adapter weighs approximately 21 oz; ensure your setup can support this weight safely.

Instructions for Installation and Usage

1. Installation:

- Attach the quickchange stem of the BOG PCA to the BOGPOD® shooting sticks.
- Ensure it is tightened securely to avoid any movement during use.
- Attach your camera to the accessory plate, ensuring it fits securely into the 1/4"20 or 3/8"16 thread.

2. Usage:

- Adjust the ball head to achieve the desired angle for your camera.
- Use the pistolgrip to maneuver the camera smoothly while shooting.
- Always engage the top lever release lock when not in use to prevent accidental release.

3. PostUse:

- Detach the camera from the accessory plate when finished.
- Store the adapter in a safe place, away from moisture and extreme temperatures.

Disposal Instructions

- Dispose of the BOG PCA Professional Camera Adapter in accordance with local waste management regulations.
- Do not dispose of the product in household waste.

- Consider recycling options for plastic and metal components where available.

Contact Information for Further Support

For any questions or concerns regarding the BOG PCA Professional Camera Adapter, please reach out to the appropriate support channels provided by the manufacturer. Ensure to have your product details ready for reference.

Conclusion

By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience with your BOG PCA Professional Camera Adapter. Thank you for your attention to safety and compliance with the EU General Product Safety Regulation.
