Caldwell Sight In Targets Safety Instruction Guide

Introduction

Thank you for choosing the Caldwell Sight In Targets. These high visibility targets are designed to assist you in sighting in your rifle or pistol at the range. This guide provides essential safety instructions and guidelines to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that you are using the targets in a safe and controlled environment, such as a designated shooting range.
- Always follow local laws and regulations regarding the use of firearms and shooting targets.
- Keep the targets out of reach of children and vulnerable individuals to prevent accidental use.
- Regularly check for any signs of damage to the targets before use. Do not use if damaged.
- Be aware of your surroundings and ensure that no unauthorized persons are in the vicinity while shooting.

Specific Safety Precautions for Use

- Use appropriate eye and ear protection while shooting.
- Always handle firearms safely and responsibly. Treat every firearm as if it is loaded.
- Ensure that the shooting area is clear of obstructions and that you have a proper backstop.
- Do not shoot at targets that are not securely affixed to a stable surface.
- Follow all instructions provided with your firearm for loading, aiming, and firing.

Instructions for Installation and Usage

- **Installation:**
 - Choose a flat, stable surface for mounting the target.
 - Use tape or tacks to securely attach the target to the mounting surface.
 - Ensure that the target is positioned at a safe shooting distance.
- **Usage:**
 - Aim your firearm at the target, ensuring that you are in a stable shooting position.
 - Fire at the target while maintaining proper firearm handling practices.
 - After shooting, check the target for accuracy and adjust your aim as necessary.
 - Dispose of used targets responsibly, ensuring that they do not pose a hazard to others.

Disposal Instructions

- Dispose of used targets in accordance with local waste disposal regulations.
- Do not burn the targets, as they may contain materials that could release harmful substances.
- If the targets become damaged or unusable, ensure they are disposed of safely to prevent accidents.

Contact Information for Further Support

- For safety inquiries or product support, please refer to the manufacturer's contact details provided on the packaging or the official website.

Thank you for your attention to these safety guidelines. Enjoy your shooting experience with the Caldwell Sight In Targets, and always prioritize safety.
