Caldwell Orange Shooting Spots Safety Instructions

Introduction

Thank you for choosing Caldwell Orange Shooting Spots. These highvisibility aiming spots are designed to enhance your shooting experience by providing clear targets. This safety instruction guide is intended to help you use the product safely and effectively, in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure the product is used in a safe environment, away from children and unauthorized users.
- Always inspect the product for any damage before use.
- Do not use the product in conditions that could pose a safety risk, such as poor visibility or inclement weather.
- Follow all local regulations and guidelines regarding shooting and target practice.
- Report any accidents or unsafe conditions to the appropriate authorities.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - The product contains adhesive materials. Ensure that these materials do not come into contact with skin or eyes.
 - Improper application or use of the product may lead to misfires or accidents. Ensure the target is securely placed before shooting.
- **Age Restrictions:**
 - This product is not intended for use by children under the age of 12 without adult supervision.
- **Vulnerable Groups:**
 - Extra caution should be taken when the product is used around individuals who may be unfamiliar with shooting practices.

Instructions for Installation and Usage

- **Installation:**
 1. Choose a clean, dry surface for application.
 2. Peel the backing off the adhesive side of the shooting spot.
 3. Firmly press the shooting spot onto the desired target area.
 4. Ensure it is securely attached before proceeding to shoot.
- **Usage:**
 - Always ensure that the shooting area is clear of people and obstacles.
 - Position your firearm in a safe and stable manner when aiming at the target.
 - Use appropriate eye and ear protection during shooting.
 - After shooting, inspect the target area to ensure there are no remaining hazards.

Disposal Instructions

- Dispose of any unused or expired shooting spots in accordance with local waste disposal regulations.
- Do not dispose of the product in regular household waste if it contains hazardous materials. Check local guidelines for proper disposal methods.
