# Caldwell Orange Shooting Spots Safety Instruction Guide

## Introduction

Thank you for choosing Caldwell Orange Shooting Spots. These products are designed to enhance your shooting experience by providing clear aiming points. To ensure safe and effective use, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Always supervise children when using this product.
- Keep the product away from heat sources and open flames.
- Do not use the product if it appears damaged or defective.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Only use the shooting spots in a safe and controlled environment.
- Ensure that the target area is clear of people and animals before shooting.
- Do not use the product in wet or damp conditions to avoid slipping or misplacement.
- Handle the product with clean hands to avoid contamination.
- If using adhesive, ensure it is suitable for the surface to which the spots will be applied.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure the target surface is clean and dry.
- Choose a location that is safe and visible for shooting.

### 2. Applying the Shooting Spots

- Peel off the shooting spot from the backing paper.
- Firmly press the spot onto the desired location on the target or cardboard box.
- Ensure that the spot is securely attached and free of air bubbles.

### 3. Using the Shooting Spots

- Stand at a safe distance from the target.
- Aim at the shooting spot and fire your shot.
- After shooting, assess the accuracy by checking the impact location on the spot.

### 4. PostUse Care

- Remove any leftover adhesive from the target surface after use.
- Store unused shooting spots in a cool, dry place.

## Disposal Instructions

- Dispose of any unused or damaged shooting spots in accordance with local waste disposal regulations.

- Do not incinerate the product, as it may release harmful fumes.
