The Caldwell® AR550 Steel Spinner Target is 3/8" through-hardened AR 500 Steel rated for up to .308 Winchester at 150 yards. The extremely durable cast urethane frame connectors provide a rigid frame yet allow bullets to pass right through. The solid steel legs and crossbar provide a rigid frame that can be replaced by 1/2" re-bar if damaged. The target frame is 18 inches off the ground and the swinger target is 10.5 inches to the center. The AR500 Steel Spinner Target is highly portable for ease of use.

Caldwell AR500 Magnum Rifle Swinger Safety Instructions

Introduction

Thank you for choosing the Caldwell AR500 Magnum Rifle Swinger. This product is designed for use with firearms and is intended for recreational shooting. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Ensure the shooting area is clear of people and obstacles.
- Use appropriate eye and ear protection when using the target.
- Only use ammunition that is compatible with the target specifications.
- Never shoot at the target from closer than the recommended distance.
- Inspect the target regularly for signs of damage or wear.
- Keep the target in a secure location when not in use.
- Follow all local laws and regulations regarding shooting and target practice.

Specific Safety Precautions for Use

- Ensure that the target is positioned on a stable surface.
- Do not attempt to modify or repair the target without proper guidance.
- Avoid using the target in adverse weather conditions that may affect stability.
- Do not use the target with firearms that exceed the specified caliber limits.
- Do not allow children or untrained individuals to use the target without adult supervision.
- Always be aware of your surroundings and ensure a safe shooting environment.

Instructions for Installation and Usage

1. Installation:

- Choose a flat, level area for target setup.
- Ensure the area is free from obstructions and has a safe backstop.
- Assemble the target frame according to the provided instructions.
- Secure the target frame using solid steel legs and crossbar.
- Ensure the target is positioned 18 inches off the ground and the swinger target is centered at 10.5 inches.

2. Usage:

- Stand at a safe distance of at least 150 yards when shooting with .308 Winchester.
- Aim carefully and ensure that the target is the only object in your line of fire.
- After shooting, check the target for any damage or displacement.
- If the target is damaged, cease usage until it has been repaired or replaced.

Disposal Instructions

- Dispose of the target and its components in accordance with local waste disposal regulations.
- Do not dispose of the target in regular household waste if it contains hazardous materials.
- Contact your local waste management authority for guidance on proper disposal methods.
