Caldwell Ultimate Target Stand Safety Instructions

Introduction

Thank you for choosing the Caldwell Ultimate Target Stand. This product is designed for safe and effective use in various shooting environments. Please read this safety instruction guide carefully to ensure proper use and to minimize any potential risks associated with the product.

General Safety Guidelines

- Ensure that the target stand is used in a safe environment, away from populated areas and bystanders.
- Always check for local laws and regulations regarding target shooting and the use of target stands.
- Inspect the target stand for any damage before each use. Do not use if damaged.
- Store the target stand in a dry place when not in use to prevent deterioration.
- Keep this manual for future reference and ensure that others using the product are aware of these safety instructions.

Specific Safety Precautions for Use

- Always set up the target stand in a stable position to prevent tipping or falling.
- Ensure that the target stand is securely assembled before use.
- Avoid using the target stand in windy conditions that could affect its stability.
- Do not exceed the weight limit specified for the target stand.
- Use only approved targets designed for use with this stand. Avoid using homemade or unsupported targets.
- Always wear appropriate eye and ear protection while shooting.
- Ensure that the shooting area is clear of people and pets before firing.
- If children are present, they should be supervised at all times and kept at a safe distance from the shooting area.

Instructions for Installation and Usage

1. Unpacking the Target Stand

- Carefully remove the target stand from its packaging.
- Ensure all components are included and undamaged.

2. Assembly of the Target Stand

- Lay out all parts on a flat surface.
- Follow the included assembly instructions to connect the pipes and secure them tightly.
- Ensure that all connections are firm and that the stand is stable.

3. Setting Up the Target Stand

- Choose a suitable location for the target stand that is flat and free from obstructions.
- Position the stand at a safe distance from the shooting area.
- Adjust the height and angle of the stand as needed for your shooting requirements.

4. Using the Target Stand

- Attach the target securely to the stand using the provided clips or fasteners.

- Confirm that the target is stable and will not fall during use.
- Step back to the designated shooting distance and ensure the area is clear before beginning.

5. PostUse Care

- After shooting, carefully remove the target from the stand.
- Disassemble the stand if necessary for transport or storage.
- Clean the stand as needed to maintain its condition.

Disposal Instructions

- Dispose of the target stand in accordance with local regulations for plastic and metal waste.
- Do not burn the product as it may release harmful substances.
- If the product is no longer usable, consider recycling components where possible.
