# Frankford Arsenal Case Prep Essentials Kit Safety Instructions

## Introduction

Thank you for choosing the Frankford Arsenal® Platinum Series Case Prep Essentials Kit. This kit is designed to assist you in safely and efficiently preparing your cases for reloading. Please read this safety instruction guide carefully to ensure safe usage and compliance with all relevant safety regulations.

## General Safety Guidelines

- Always use the product according to the manufacturer's instructions.
- Keep the kit out of reach of children and vulnerable individuals.
- Inspect all tools before use for any signs of damage or wear.
- Store the kit in a dry, cool place to prevent damage to the tools.
- If you notice any defects or malfunctions, discontinue use immediately and contact the manufacturer.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about recall updates via the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Use protective eyewear when handling tools, especially during the chamfering and crimp removal processes.
- Ensure that your work area is clean and free from clutter to avoid accidents.
- Do not use excessive force when operating the tools; let the tools do the work.
- Avoid wearing loose clothing or jewelry that could get caught in the tools.
- Always maintain a firm grip on the tools while in use to prevent slippage.
- Follow the specific instructions for each tool to minimize the risk of injury.

## Instructions for Installation and Usage

### 1. Handles:

- Attach the desired handle to the tool by aligning the notches and twisting until secure.
- Ensure that the handle is firmly attached before use.

### 2. Chamfer Tools:

- Select the appropriate chamfer tool (inside or outside) for your case.
- Insert the case into the tool and rotate gently to chamfer the edges.
- Do not apply excessive pressure; the tool should work smoothly.

### 3. Primer Pocket Uniformer/Cleaner:

- Choose the correct size (large or small) for your primer pocket.
- Insert the tool into the primer pocket and twist to clean or uniform the pocket.
- Remove any debris after use to maintain tool effectiveness.

### 4. Primer Pocket Crimp Remover:

- Select the appropriate size for your case.
- Insert the tool into the primer pocket and apply gentle pressure while turning.
- Ensure that the crimp is fully removed before inserting a new primer.

## 5. **Storage:**

- After use, clean all tools and store them in the provided storage case.
- Ensure that the case is closed securely to prevent tools from falling out or getting damaged.

## **Disposal Instructions**

- Dispose of any damaged or worn tools in accordance with local regulations.
- Do not dispose of tools in regular household waste if they contain hazardous materials.
- Check with local waste management authorities for proper disposal methods.

## **Contact Information for Further Support**
