# Frankford Arsenal Pistol Ammo Boxes Safety Instructions

## Introduction

Thank you for choosing the Frankford Arsenal Pistol Ammo Boxes. These seethrough plastic ammo boxes are designed to help you store and identify your reloaded ammunition efficiently. This safety instruction guide provides essential information on how to use these boxes safely and effectively, in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always ensure that your ammo boxes are used in accordance with the manufacturer's specifications.
- Keep ammo boxes out of reach of children and unauthorized users.
- Regularly inspect your ammo boxes for any signs of damage or wear.
- Report any unsafe products or incidents to the relevant authorities.
- Stay updated on product recalls through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Avoid Overloading:** Do not exceed the specified capacity of 50 rounds per box to prevent breakage.
- **Proper Handling:** Handle the boxes with care to avoid dropping or damaging them.
- **Storage Conditions:** Store ammo boxes in a cool, dry place away from direct sunlight and moisture to maintain their integrity.
- **Identification:** Clearly label your ammo boxes to avoid confusion and ensure safe handling of different calibers.
- **Check Compatibility:** Ensure that the ammo boxes are compatible with the specific calibers you intend to store (e.g., 45 Auto (ACP), 10 mm Auto, 40 S&W).

## Instructions for Installation and Usage

### 1. Opening the Box:

- Gently press the sides of the box to open the lid without forcing it.

### 2. Loading Ammunition:

- Place the rounds into the box, ensuring they are seated properly and do not exceed the maximum capacity.
- Arrange the ammunition in a way that allows for easy identification (e.g., by caliber).

### 3. Closing the Box:

- Ensure the lid is securely closed after loading to prevent accidental opening.

### 4. Transporting:

- When transporting your ammo boxes, secure them to prevent movement and potential damage.

### 5. Usage:

- Use the ammo boxes strictly for storing ammunition. Do not use them for any other purpose.

## Disposal Instructions

- Dispose of damaged or unusable ammo boxes in accordance with local regulations.
- If the ammo box is made of plastic, check for recycling options in your area to minimize environmental impact.

## Contact Information for Further Support

For any safety inquiries or additional support, please refer to the relevant EUbased contact points associated with the product. Always ensure you are following the latest guidelines and safety measures.
