

# Gun Butler

[Gun Cleaning & Chemicals](#) > [Gun Cleaning Cradles](#)

The Gun Butler™ offers a convenient all-in-one solution to all your cleaning/carrying/storage needs. Two removable non-marring forks (which snap into the base for easy storage) hold the gun securely in place, while thoughtfully-planned compartments and slots hold bore solvent, jags, brushes, mops, a cleaning rod, spray lubricant and tools. The Gun Butler contains everything a shooter needs to clean a firearm -all with a convenient carrying handle for easy transport.

# Tipton Gun Butler Safety Instruction Guide

## Introduction

Thank you for choosing the Tipton Gun Butler. This product is designed to assist you in cleaning, carrying, and storing your firearms safely and effectively. Please read this safety instruction guide carefully to ensure proper use and maintenance of the Gun Butler, in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always handle firearms with care and follow all safety protocols.
- Ensure the Gun Butler is used in a wellventilated area when cleaning firearms.
- Keep the Gun Butler out of reach of children and vulnerable individuals.
- Regularly inspect the Gun Butler for any signs of damage or wear.
- Do not use the Gun Butler for any purpose other than its intended use.
- If you encounter any issues or concerns regarding the Gun Butler, please seek assistance.

## Specific Safety Precautions for Use

- Ensure that all firearms are unloaded before placing them in the Gun Butler.
- Use only approved cleaning solvents and lubricants with the Gun Butler.
- Do not exceed the recommended weight limit when using the Gun Butler to carry firearms and accessories.
- Avoid placing the Gun Butler near heat sources or open flames.
- Do not modify or alter the Gun Butler in any way.
- When using the removable forks, ensure they are properly secured to prevent accidents.

## Instructions for Installation and Usage

### 1. Setting Up the Gun Butler:

- Remove the Gun Butler from its packaging.
- Place the Gun Butler on a flat, stable surface.
- Ensure that the removable nonmarring forks are securely attached to the base.

### 2. Cleaning Firearms:

- Ensure your firearm is completely unloaded and safe to handle.
- Place the firearm in the Gun Butler, securing it with the nonmarring forks.
- Utilize the compartments for bore solvent, jags, brushes, mops, and cleaning rods as needed.
- Follow the instructions for your specific cleaning products to ensure safe and effective use.

### 3. Carrying Firearms:

- Use the carrying handle to transport the Gun Butler with firearms and accessories.
- Ensure that all items are securely stored in their designated compartments.

### 4. Storage:

- When not in use, store the Gun Butler in a cool, dry place.
- Ensure the Gun Butler is out of reach of children and pets.

## Disposal Instructions

- Dispose of the Gun Butler in accordance with local regulations.
- If the Gun Butler is damaged or no longer needed, consider recycling components where possible.
- Do not dispose of cleaning solvents or lubricants in regular trash; follow local guidelines for hazardous waste disposal.

## Contact Information for Further Support

For any inquiries regarding the safety or use of the Tipton Gun Butler, please refer to the product packaging for contact details of the manufacturer or authorized distributor.

By following these safety instructions, you can ensure a safe and effective experience with your Tipton Gun Butler. Thank you for your attention to these important guidelines.
