Tipton Cleaning Rod Rack Safety Instructions

Introduction

Thank you for choosing the Tipton Cleaning Rod Rack. This product is designed to help you organize and store your cleaning rods safely and conveniently. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the Cleaning Rod Rack is used only for its intended purpose of storing cleaning rods.
- Regularly inspect the Cleaning Rod Rack for any signs of damage or wear. If any issues are found, discontinue use immediately.
- Keep the Cleaning Rod Rack out of reach of children and vulnerable individuals to prevent accidents.
- Always follow the manufacturer's instructions for installation and usage.

Specific Safety Precautions for Use

- When handling cleaning rods, ensure that they are free from any cleaning solvents or chemicals that may pose a risk.
- Avoid placing the Cleaning Rod Rack in areas where it may be exposed to extreme temperatures or moisture, as this can affect its durability.
- Do not overload the Cleaning Rod Rack beyond its capacity of six rods to prevent tipping or damage.
- Ensure that the molded bumpers are correctly positioned to secure the rods and prevent them from slipping.

Instructions for Installation and Usage

1. Installation:

- Choose a suitable location for the Cleaning Rod Rack, ensuring it is on a flat and stable surface.
- Use the provided mounting holes and screws to securely attach the rack to a wall or other surface, if applicable.
- Ensure that the rack is level and firmly secured before placing any cleaning rods on it.

2. Usage:

- Insert the cleaning rods into the designated slots of the Cleaning Rod Rack.
- Use the hanging hooks on either end of the rack for additional accessories, ensuring they are securely attached.
- Regularly check the stability of the Cleaning Rod Rack and the security of the cleaning rods and accessories.

Disposal Instructions

- When disposing of the Cleaning Rod Rack, follow local regulations regarding the disposal of plastic materials.
- If the product is damaged beyond use, consider recycling the materials where applicable.
- Ensure that all components of the Cleaning Rod Rack are disposed of responsibly to minimize environmental impact.

Contact Information for Further Support

For any safety inquiries or additional support regarding the Tipton Cleaning Rod Rack, please refer to the manufacturer's contact information provided with your product packaging.

Thank you for your attention to these safety instructions. Your safety is our priority. Enjoy using your Tipton Cleaning Rod Rack!
