# Tipton Ultra Jag Set Safety Instructions

## Introduction

Thank you for choosing the Tipton Ultra Jag Set. This product is designed to assist you in cleaning your firearms effectively and safely. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always handle cleaning tools with care to avoid injury.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product before each use to ensure it is in good condition.
- Use the product only for its intended purpose as described in this guide.
- Follow all local laws and regulations regarding the cleaning of firearms.

## Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before cleaning.
- Do not use the cleaning brushes on any surface other than the intended firearm bore.
- Avoid using excessive force when cleaning to prevent damage to the firearm or brushes.
- Store the cleaning jags and brushes in a safe place when not in use to prevent accidents.
- Do not mix different types of solvents or chemicals when using the brushes.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure your firearm is completely unloaded.
- Gather all necessary materials, including the Tipton Ultra Jag Set and any cleaning solvents you plan to use.

### 2. Selecting the Right Jag:

- Choose the appropriate jag size based on the caliber of your firearm. The Tipton Ultra Jag Set includes jags for .17, .20, .22, .243/6 mm, .25/6.5 mm, .270/7 mm, .30, .338/8 mm, .5/9 mm, .375, .40, .44, and .45 calibers.

### 3. Attaching the Jag:

- Screw the selected jag onto the cleaning rod. Ensure that it is securely attached.

### 4. Applying Cleaning Solvent:

- Apply the appropriate cleaning solvent to the brush or jag as instructed by the solvent manufacturer.

### 5. Cleaning the Firearm:

- Insert the jag into the barrel of the firearm gently.
- Pull the jag through the barrel, using a smooth and steady motion. Repeat as necessary.
- Avoid pulling the jag back through the barrel to prevent damage.

### 6. Finishing Up:

- After cleaning, remove the jag and clean the firearm as per the manufacturer's instructions.
- Store the jags and brushes in the molded storage box to keep them organized and safe.

## Disposal Instructions

- Dispose of any used cleaning solvents and materials in accordance with local regulations.
- Do not dispose of the product in regular household waste. Check for local recycling or hazardous waste programs.

## Contact Information for Further Support

For any inquiries regarding the safety and usage of the Tipton Ultra Jag Set, please refer to the contact information provided by the manufacturer.

By following these safety instructions, you can ensure a safe and effective cleaning experience with your Tipton Ultra Jag Set. Always prioritize safety and compliance with local regulations when handling firearms and cleaning supplies.
