# Tipton 6 Piece Bronze Bristle Shotgun Bore Brush Set Safety Instructions

## Introduction

Thank you for choosing the Tipton 6 Piece Bronze Bristle Shotgun Bore Brush Set. This product is designed to provide effective cleaning for shotgun bores. To ensure safe and effective use of this product, please follow the safety guidelines and instructions outlined in this document.

## General Safety Guidelines

- Always read and understand the instructions before using the product.
- Ensure that the product is used by individuals who are knowledgeable about firearms and cleaning procedures.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the brushes for damage or wear before each use. Do not use damaged brushes.
- Store the product in a dry, safe place, away from direct sunlight and extreme temperatures.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Use the bore brushes only for their intended purpose of cleaning shotgun bores.
- Ensure the shotgun is unloaded before attempting to clean it.
- Avoid using excessive force when cleaning to prevent damage to the bore.
- Do not insert the brush into the bore at an angle; always use a straight motion.
- Wear safety goggles to protect your eyes from debris while cleaning.
- Use gloves to protect your hands from cleaning solvents and oils.
- Do not leave the brushes unattended while in use.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary materials, including the bore brush set, cleaning solvent, and a cleaning rod.
- Ensure the shotgun is completely unloaded and pointed in a safe direction.

### 2. Selecting the Brush:

- Choose the appropriate caliberspecific brush for your shotgun (calibers 410 10ga).

### 3. Attaching the Brush:

- Attach the bronze bristle brush to the cleaning rod by screwing it securely into place.
- Ensure that the brush is tightly fastened to prevent it from coming loose during cleaning.

### 4. Cleaning Procedure:

- Apply a small amount of cleaning solvent to the brush.
- Insert the brush into the bore, ensuring it is straight.
- Push the brush through the bore in one smooth motion, then pull it back out. Repeat this process 23 times.
- After cleaning, remove the brush and clean any remaining solvent from the bore with a dry patch.

## 5. PostCleaning Care:

- Inspect the brush for wear and replace if necessary.
- Clean the brush with solvent and store it in the provided hinged box.
- Ensure all materials are properly disposed of according to local regulations.

## Disposal Instructions

- Dispose of any worn or damaged brushes in accordance with local waste disposal regulations.
- Do not dispose of cleaning solvents or oils down the drain. Follow local guidelines for hazardous waste disposal.

## Contact Information for Further Support

For any inquiries regarding the safety and use of the Tipton 6 Piece Bronze Bristle Shotgun Bore Brush Set, please refer to the manufacturer's contact information provided with the product packaging.

Thank you for your attention to these safety instructions. Enjoy using your Tipton Shotgun Bore Brush Set responsibly and safely.
