# Tipton Flip Top Solvent Bottles Safety Instruction Guide

## Introduction

Thank you for choosing the Tipton Flip Top Solvent Bottles. This product is designed for safe and effective use in holding solvents, oils, and various other liquid products. This safety instruction guide is intended to help you understand how to use the bottles safely and responsibly, in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always keep the bottles out of reach of children and vulnerable individuals.
- Use the bottles only for their intended purpose.
- Ensure that the bottles are stored in a cool, dry place away from direct sunlight and heat sources.
- Regularly inspect the bottles for any signs of damage or leaks before use.
- If you notice any defects, do not use the bottles and contact the manufacturer for guidance.
- Report any unsafe products or accidents to local authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always use protective gloves and eyewear when handling solvents and chemicals.
- Do not mix different types of solvents in the bottles.
- Avoid overfilling the bottles to prevent spills.
- Ensure the caps are securely fastened when not in use.
- Do not use the bottles to store food or beverages.
- In case of skin contact with solvents, wash the affected area with soap and water immediately.
- If solvent is ingested or comes into contact with eyes, seek medical attention immediately.

## Instructions for Installation and Usage

### 1. Unpacking the Bottles:

- Carefully remove the bottles from the packaging.
- Inspect each bottle for any visible damage.

### 2. Filling the Bottles:

- Use a funnel to fill the bottles with the desired solvent or liquid.
- Do not exceed the 4 oz. capacity of each bottle to avoid spills.

### 3. Cap Usage:

- Each bottle comes with two types of caps: FlipTop and standard. Choose the cap that best suits your needs.
- Ensure the cap is securely fastened after filling to prevent leaks.

### 4. Storing the Bottles:

- Store the filled bottles upright in a secure location.
- Keep the bottles away from children and pets.

### 5. Cleaning the Bottles:

- If necessary, clean the exterior of the bottles with a damp cloth.
- Do not immerse the bottles in water or other liquids.

## **Disposal Instructions**

- Dispose of empty bottles in accordance with local regulations for hazardous waste.
- Do not dispose of solvents or chemicals in regular household waste.
- Check with local authorities for specific disposal guidelines for solvents and chemicals.

## **Contact Information for Further Support**

For any safety inquiries or further support, please refer to the manufacturer's contact details included with your product packaging.

Please ensure that you read and understand these safety instructions before using the Tipton Flip Top Solvent Bottles. Your safety is our priority. Thank you for your attention to these guidelines.
