

# Maintenance Mats - Tipton M&P Maintenance Mat- 11"x17"

[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Bench Mats](#)

The perfect material to lay on your workbench while cleaning or disassembling firearms. Padded neoprene construction protects firearm finishes while helping keep track of small parts. Excess oils and solvents are absorbed into the mat, keeping the surface clean and dry. The Tipton® Maintenance Mat rolls easily to fit your range box. Hand washable.

# Tipton Maintenance Mat Safety Instructions

## Introduction

Thank you for choosing the Tipton M&P Maintenance Mat. This product is designed to provide a safe and effective surface for cleaning and disassembling firearms. Please read and follow these safety instructions to ensure safe use and maintenance of the mat.

## General Safety Guidelines

- Ensure that the maintenance mat is used in a wellventilated area.
- Keep the mat away from open flames or high heat sources.
- Always supervise the use of the mat around children and pets.
- Regularly inspect the mat for wear and tear. Discontinue use if damaged.
- Do not use the mat for any purpose other than its intended use.

## Specific Safety Precautions for Use

- Avoid using harsh chemicals that may damage the neoprene material.
- Ensure that all small parts are accounted for during cleaning to prevent loss or ingestion.
- Use caution when handling firearms and ensure they are unloaded before disassembly.
- Keep the mat clean and dry to avoid slipping hazards.
- Do not place heavy objects on the mat that could cause it to tear or become damaged.

## Instructions for Installation and Usage

### 1. Preparation:

- Clear a flat surface on your workbench to place the maintenance mat.
- Ensure the area is clean and free from clutter.

### 2. Placement:

- Unroll the maintenance mat and lay it flat on the workbench.
- Ensure the mat is fully extended to avoid any creases or folds.

### 3. Using the Mat:

- Place your firearms and cleaning supplies on the mat.
- Use the mat to catch excess oils and solvents during cleaning.
- Keep track of small parts by placing them on the mat to prevent loss.

### 4. Cleaning the Mat:

- Hand wash the mat with mild soap and water.
- Rinse thoroughly and allow it to air dry before rolling it up for storage.

### 5. Storage:

- Roll the maintenance mat neatly for storage in your range box.
- Store in a cool, dry place away from direct sunlight.

## **Disposal Instructions**

- Dispose of the mat in accordance with local regulations for rubber and neoprene materials.
- Do not burn the mat as it may release harmful fumes.

## **Contact Information for Further Support**

For any safety inquiries or concerns, please contact your local retailer or the manufacturer directly. It is important to have access to support for any issues that may arise.

Thank you for your attention to these safety instructions. Enjoy using your Tipton Maintenance Mat responsibly and safely!
