

# Maintenance Mats - Glock Maintenance Mat- 11"x17"

[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Bench Mats](#)

The perfect material to lay on your workbench while cleaning or disassembling firearms. Padded neoprene construction protects firearm finishes while helping keep track of small parts. Excess oils and solvents are absorbed into the mat, keeping the surface clean and dry. The Tipton® Maintenance Mat rolls easily to fit your range box. Hand washable.

# Tipton Maintenance Mat Safety Instructions

## Introduction

Thank you for choosing the Tipton Maintenance Mat for your firearm cleaning and maintenance needs. This guide provides essential safety information and instructions to ensure safe and effective use of the product. Please read this document carefully before using the mat.

## General Safety Guidelines

- Always use the maintenance mat on a stable and flat surface to prevent slipping or accidents.
- Ensure the work area is wellventilated, especially when using solvents or oils.
- Keep the maintenance mat away from open flames and high heat sources.
- Store the maintenance mat in a dry place when not in use to prevent mold and mildew.
- Inspect the mat regularly for any signs of wear or damage before use.
- Do not use the mat for purposes other than firearm maintenance.

## Specific Safety Precautions for Use

- **Hazardous Materials:** When using oils and solvents, follow the manufacturer's safety instructions and ensure proper handling.
- **Small Parts:** Be cautious of small parts that may become loose during disassembly. Keep them organized and out of reach of children and pets.
- **Children and Vulnerable Groups:** This product is not intended for use by children. Keep it out of reach of minors.
- **Hand Washing:** The mat is hand washable. Use mild soap and water, and allow it to dry completely before storing.

## Instructions for Installation and Usage

### 1. Setting Up the Mat:

- Unroll the maintenance mat and lay it flat on your workbench.
- Ensure the mat is fully extended and free of any wrinkles or folds.

### 2. Using the Mat:

- Place your firearm and tools on the mat during cleaning or disassembly.
- Use the padded surface to protect your firearm's finish and to absorb excess oils and solvents.

### 3. Cleaning the Mat:

- After use, clean the mat by hand washing it with mild soap and water.
- Rinse thoroughly and allow it to air dry completely before rolling it up for storage.

### 4. Storage:

- Roll the mat tightly and store it in a dry place, preferably in your range box for easy transport.

## Disposal Instructions

- Dispose of the mat in accordance with local regulations for nonhazardous waste. If the mat is damaged beyond repair, consider recycling if options are available in your area.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the Tipton Maintenance Mat, please contact the manufacturer directly or refer to the product packaging for more information.

Thank you for your attention to these safety instructions. Enjoy safe and effective maintenance of your firearms!
