

Maintenance Mats - 1911 Maintenance Mat

[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Bench Mats](#)

The perfect material to lay on your workbench while cleaning or disassembling firearms. Padded neoprene construction protects firearm finishes while helping keep track of small parts. Excess oils and solvents are absorbed into the mat, keeping the surface clean and dry. The Tipton® Maintenance Mat rolls easily to fit your range box. Hand washable.

Tipton Maintenance Mats Safety Instructions

Introduction

Thank you for choosing the Tipton Maintenance Mat. This guide provides essential safety instructions and guidelines to ensure your safe and effective use of the product. Please read this document carefully before using the mat.

General Safety Guidelines

- Ensure the mat is used on a stable, flat surface to prevent slipping or sliding.
- Do not expose the mat to extreme temperatures or direct sunlight for prolonged periods.
- Keep the mat away from open flames and sharp objects to avoid damage.
- Regularly inspect the mat for signs of wear or damage before each use.
- If any part of the mat is damaged, discontinue use immediately.

Specific Safety Precautions for Use

- Always use the mat in a wellventilated area when cleaning or disassembling firearms.
- Avoid using harsh chemicals or solvents that are not compatible with neoprene materials.
- Keep small parts and tools out of reach of children and pets to prevent accidental ingestion or injury.
- Ensure that all oils and solvents are properly disposed of according to local regulations.
- If you experience any allergic reactions to the materials, discontinue use and seek medical advice.

Instructions for Installation and Usage

1. Preparation:

- Clean the workbench surface to ensure proper adhesion of the mat.
- Unroll the mat and lay it flat on the workbench.

2. Usage:

- Place your firearm and tools on the mat while cleaning or disassembling.
- Use the mat to catch excess oils and solvents, allowing them to be absorbed.
- Keep small parts organized on the mat to avoid losing them during maintenance.

3. Cleaning:

- After use, wipe the mat with a damp cloth to remove any debris or residue.
- For deeper cleaning, hand wash the mat with mild soap and water.
- Allow the mat to air dry completely before rolling it up for storage.

4. Storage:

- Roll the mat tightly and store it in a cool, dry place, preferably in your range box.

Disposal Instructions

- Dispose of the mat in accordance with local waste management regulations.
- If the mat is damaged beyond repair, consider recycling options for neoprene materials where available.

Contact Information for Further Support

For any safety inquiries or concerns regarding the Tipton Maintenance Mat, please reach out to the appropriate EUbased contact point provided with your purchase.

Conclusion

By following these safety instructions and guidelines, you can ensure a safe and effective experience while using the Tipton Maintenance Mat. Always prioritize safety and take the necessary precautions to protect yourself and others during maintenance activities. Thank you for your attention to these important safety measures.
