

Snap Caps - Tipton Snap Cap Revolver 38 Special, 357 Mag 6 Pack

[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Cartridge Dummies](#)

It is generally accepted that one should not drop the firing pin on an empty chamber, which is the primary reason to have Snap Caps for your favorite guns. You should always use Snap Caps when checking or adjusting the trigger pull. If you prefer to release the tension on the hammer springs, when storing your guns, Snap Caps are ideal.

Tipton Snap Caps Safety Instruction Guide

Introduction

Thank you for choosing Tipton Snap Caps for your firearm maintenance. This guide provides important safety instructions to ensure the safe use of your Snap Caps, specifically designed for the .38 Special and .357 Magnum revolvers. Please read this guide thoroughly before use.

General Safety Guidelines

- Always treat all firearms as if they are loaded.
- Use Snap Caps only in the appropriate firearms as specified.
- Keep Snap Caps out of reach of children and unauthorized users.
- Regularly inspect Snap Caps for wear or damage before use.
- Do not use Snap Caps for live ammunition; they are intended for dry firing and training purposes only.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Do not drop the firing pin on an empty chamber; always use Snap Caps to prevent damage.
- When checking or adjusting the trigger pull, ensure that Snap Caps are used to avoid accidental discharge.
- If you need to release tension on hammer springs, use Snap Caps to safely store your firearms.
- Always follow the manufacturer's instructions for your specific firearm model when using Snap Caps.
- Ensure that the firearm is pointed in a safe direction when using Snap Caps.

Instructions for Installation and Usage

1. Loading Snap Caps:

- Open the revolver's cylinder and ensure the firearm is unloaded.
- Insert Snap Caps into the chambers of the cylinder as you would with live ammunition.
- Close the cylinder securely.

2. Dry Firing:

- Point the firearm in a safe direction.
- Pull the trigger to simulate a firing action without the risk of discharge.
- Repeat as necessary for practice or trigger pull adjustments.

3. Storing Firearms:

- When storing your firearm, replace live ammunition with Snap Caps to relieve tension on hammer springs.
- Store your firearm in a secure location, ensuring that Snap Caps are also kept safely.

4. Maintenance:

- Regularly inspect Snap Caps for any signs of wear or damage.
- Replace any Snap Caps that are worn out to ensure safe usage.

Disposal Instructions

- Dispose of damaged or worn Snap Caps in accordance with local waste disposal regulations.

- Do not throw Snap Caps in regular household waste if they are damaged; consult your local hazardous waste disposal guidelines.

Contact Information for Further Support

For any inquiries regarding safety or product issues, please consult the relevant authorities or your local firearms dealer. Your safety is our priority.

By following these guidelines, you can ensure a safe and effective experience with your Tipton Snap Caps. Thank you for prioritizing safety in your firearm practices.
