

Snap Caps - Tipton Snap Cap Revolver 44 Mag 6 Pack

[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Cartridge Dummies](#)

It is generally accepted that one should not drop the firing pin on an empty chamber, which is the primary reason to have Snap Caps for your favorite guns. You should always use Snap Caps when checking or adjusting the trigger pull. If you prefer to release the tension on the hammer springs, when storing your guns, Snap Caps are ideal.

Tipton Snap Caps Safety Instruction Guide

Introduction

Thank you for choosing Tipton Snap Caps for your firearms training and maintenance needs. This guide provides essential safety instructions and best practices to ensure the safe use of Tipton Snap Caps, specifically designed for the 44 Magnum and 44 Special revolvers. Please read this guide carefully before use.

General Safety Guidelines

- Always treat firearms as if they are loaded.
- Use Snap Caps only for their intended purpose: to prevent damage to your firearm during dry firing and trigger pull adjustments.
- Keep Snap Caps out of reach of children and unauthorized users.
- Regularly inspect Snap Caps for signs of wear or damage before each use.
- Do not use Snap Caps in live firearms or for any purpose other than training and maintenance.

Specific Safety Precautions for Use

- Ensure that your firearm is pointed in a safe direction at all times when handling Snap Caps.
- Do not drop the firing pin on an empty chamber; always use Snap Caps to avoid potential damage.
- When adjusting the trigger pull, ensure that the firearm is unloaded and that Snap Caps are inserted properly.
- If you choose to release tension on the hammer springs while storing your firearm, use Snap Caps as a safe alternative.
- Never attempt to load Snap Caps into firearms that are not designed for them.

Instructions for Installation and Usage

1. Preparation:

- Ensure that your firearm is completely unloaded.
- Visually and physically check the chamber to confirm it is empty.

2. Installation of Snap Caps:

- Insert Snap Caps into the chambers of your revolver, ensuring they are seated correctly.
- Close the cylinder securely.

3. Usage:

- Practice dry firing with the Snap Caps in place, allowing you to check trigger pull and practice aiming without the risk of firing live ammunition.
- Always follow safe handling practices while using your firearm with Snap Caps.

4. PostUse:

- After use, remove the Snap Caps from the chambers.
- Store Snap Caps in a safe, dry place away from children and unauthorized users.

Disposal Instructions

- Dispose of damaged or worn Snap Caps in accordance with local regulations.
- Do not throw Snap Caps in regular trash if they are damaged; contact your local waste management for

proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety or product information, please refer to the appropriate contact points as per local regulations. Always ensure you have access to support for any questions or concerns regarding the use of Tipton Snap Caps.

By following these guidelines, you can ensure a safe and effective experience with your Tipton Snap Caps. Thank you for prioritizing safety in your firearms practice and maintenance.
