

# Snap Caps - Tipton Snap Cap Revolver 45 Colt 6 Pack

[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Cartridge Dummies](#)

It is generally accepted that one should not drop the firing pin on an empty chamber, which is the primary reason to have Snap Caps for your favorite guns. You should always use Snap Caps when checking or adjusting the trigger pull. If you prefer to release the tension on the hammer springs, when storing your guns, Snap Caps are ideal.

# Tipton Snap Caps Safety Instruction Guide

## Introduction

Thank you for choosing Tipton Snap Caps for your revolver. These snap caps are designed to help you safely practice handling and dryfiring your firearm without causing damage to the firing pin. This guide provides essential safety instructions to ensure the safe use of your Tipton Snap Caps.

## General Safety Guidelines

- Always treat all firearms as if they are loaded.
- Use snap caps in a safe environment where no one is in the line of fire.
- Ensure that your firearm is unloaded before inserting snap caps.
- Store snap caps out of reach of children and vulnerable individuals.
- Regularly inspect snap caps for wear or damage before use.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Do not drop the firing pin on an empty chamber. Always use snap caps when dryfiring.
- Use snap caps to check or adjust the trigger pull safely.
- If you prefer to relieve tension on the hammer springs when storing your firearm, use snap caps.
- Never use snap caps as live ammunition; they are for training purposes only.
- Ensure that the snap caps are the correct size for your firearm (45 Colt).

## Instructions for Installation and Usage

### 1. Preparation:

- Confirm that your firearm is completely unloaded.
- Remove any live ammunition from the vicinity.

### 2. Inserting Snap Caps:

- Open the cylinder of your revolver.
- Insert the Tipton Snap Caps into the chambers of the cylinder, ensuring they fit securely.

### 3. DryFiring:

- With the snap caps in place, you may proceed to practice dryfiring your firearm.
- Focus on trigger control and sight alignment without the risk of damaging the firing pin.

### 4. Storing Your Firearm:

- When finished, remove the snap caps from the firearm.
- Store snap caps in a safe place, away from children and unauthorized users.
- If desired, leave snap caps in the chambers to relieve tension on the hammer springs during storage.

## Disposal Instructions

- Dispose of damaged or worn snap caps in accordance with local waste disposal regulations.
- Do not throw snap caps in regular household trash if they are in a condition that may pose a hazard.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of Tipton Snap Caps, please consult the manufacturer's website or contact their customer support for assistance.

By following these safety instructions, you can ensure the safe and effective use of your Tipton Snap Caps. Always prioritize safety when handling firearms and training equipment. Thank you for your attention to these important guidelines.
