

Snap Caps - Snap Cap Rifle 30-06 2 Pack

[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Cartridge Dummies](#)

It is generally accepted that one should not drop the firing pin on an empty chamber, which is the primary reason to have Snap Caps for your favorite guns. You should always use Snap Caps when checking or adjusting the trigger pull. If you prefer to release the tension on the hammer springs, when storing your guns, Snap Caps are ideal.

Tipton Snap Caps Safety Instruction Guide

Introduction

Thank you for choosing the Tipton Snap Caps Snap Cap Rifle 3006 2 Pack. These snap caps are designed to enhance the safety and functionality of your firearms by allowing you to practice safely without the risk of an accidental discharge. This guide provides essential safety instructions and guidelines to ensure safe usage of your snap caps in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always treat all firearms as if they are loaded.
- Ensure that your firearm is pointed in a safe direction at all times.
- Keep your fingers off the trigger until you are ready to shoot.
- Use Snap Caps only in the appropriate caliber firearms (3006 Springfield).
- Store Snap Caps in a safe place, out of reach of children and unauthorized users.
- Regularly inspect Snap Caps for wear or damage before each use.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Do not drop the firing pin on an empty chamber without using Snap Caps.
- Always use Snap Caps when checking or adjusting the trigger pull to avoid damage to the firing pin and other internal components.
- If you prefer to release tension on the hammer springs when storing your guns, make sure to use Snap Caps to prevent potential damage.
- Keep Snap Caps away from heat and moisture to maintain their integrity.

Instructions for Installation and Usage

1. Loading the Snap Caps:

- Open the action of your firearm.
- Insert the Snap Caps into the magazine or chamber as you would with regular cartridges.
- Ensure that the Snap Caps are seated correctly.

2. Using the Snap Caps:

- Follow standard safety practices when handling your firearm.
- Use Snap Caps for dry firing or trigger pull adjustments only.
- Avoid using Snap Caps for live firing or in any situation where live ammunition is present.

3. Storing the Snap Caps:

- After use, remove the Snap Caps from the firearm.
- Store them in their original packaging or a designated storage case.
- Keep them in a cool, dry place away from direct sunlight and moisture.

Disposal Instructions

- Dispose of damaged or worn Snap Caps responsibly.
- Do not throw Snap Caps in regular trash if they are damaged; check local regulations for proper disposal methods.
- Consider recycling options if available in your area.

Contact Information for Further Support

For any inquiries regarding safety or product performance, please reach out to your retailer or the manufacturer directly. Ensure you have the product details available for assistance.

By following this safety instruction guide, you can ensure the safe use of your Tipton Snap Caps and maintain the longevity of your firearms. Always prioritize safety and responsible handling practices.
